O.G. Opens her doors for the

Our first dance, the "Ice Breaker", acquainted and welcomed the freshmen.

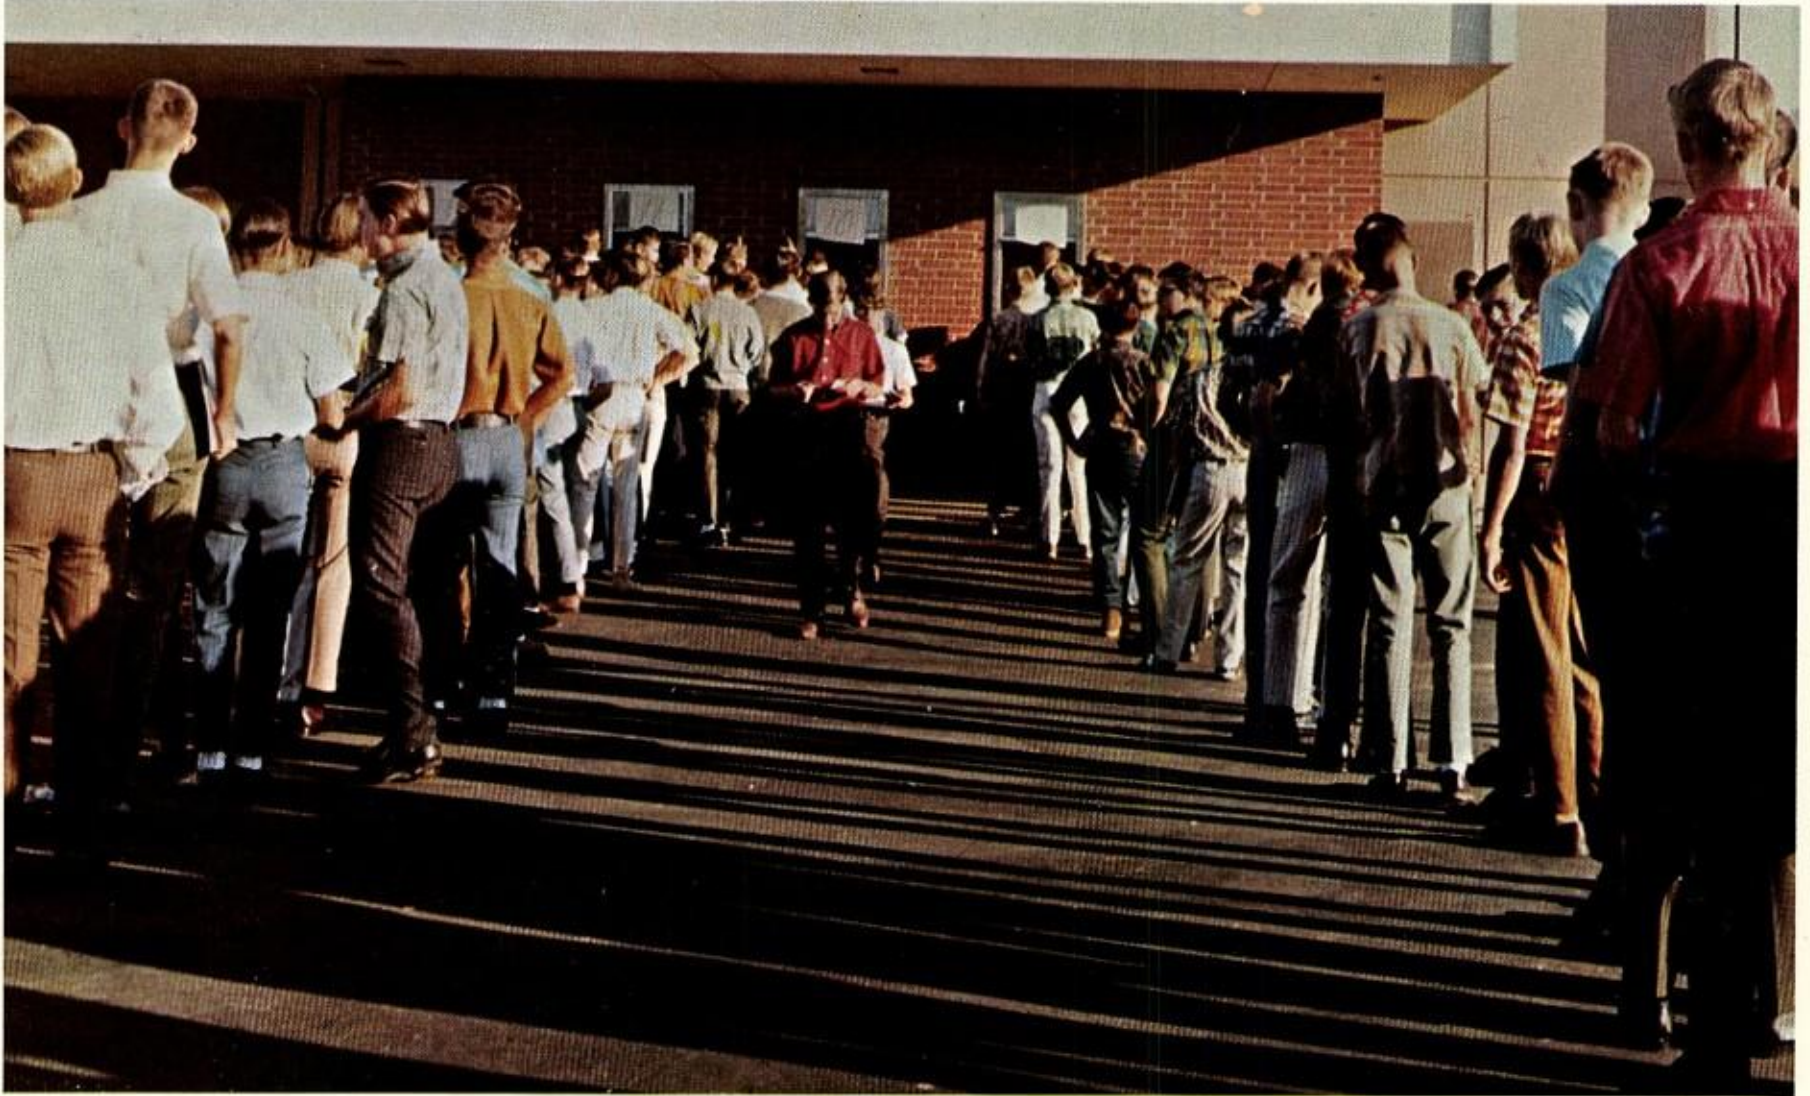

The seniors extend a warm welcome to the mighty Freshmen class.

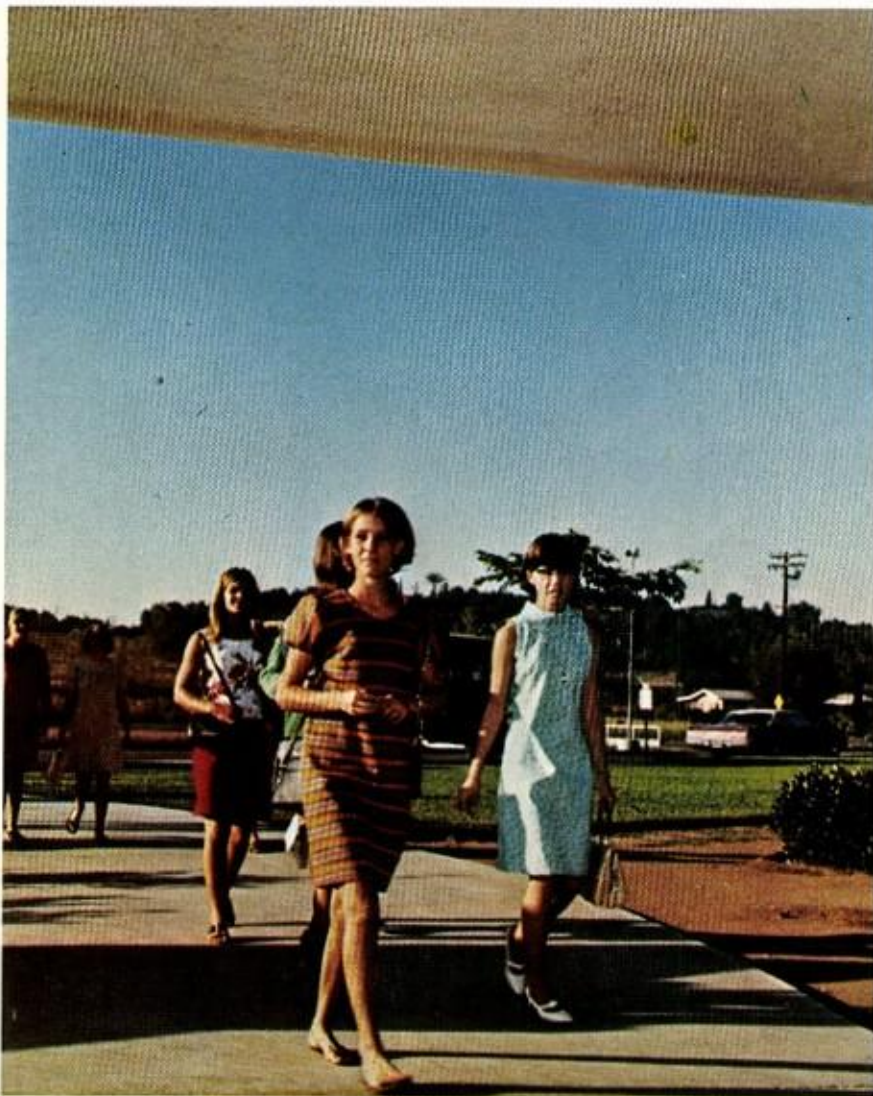

A long line forms as students wait for their schedules on the opening day of school.

Sixth Year

The first day of school was one of excitement, confusion and many lines.

Students arriving on the first day of school.

Comparing schedules, seeing last year's friends and getting back into the swing of things was exciting.

a School to

Many decisions are made in the Administration Building.

Students in line awaited their schedules for 1967-1968 term.

Be proud Of. . .

The Symbol of our Country.

O,G's facade of displaying a great school and an enthusiastic student body.

Senior's Lawn?

Patriot's gym.

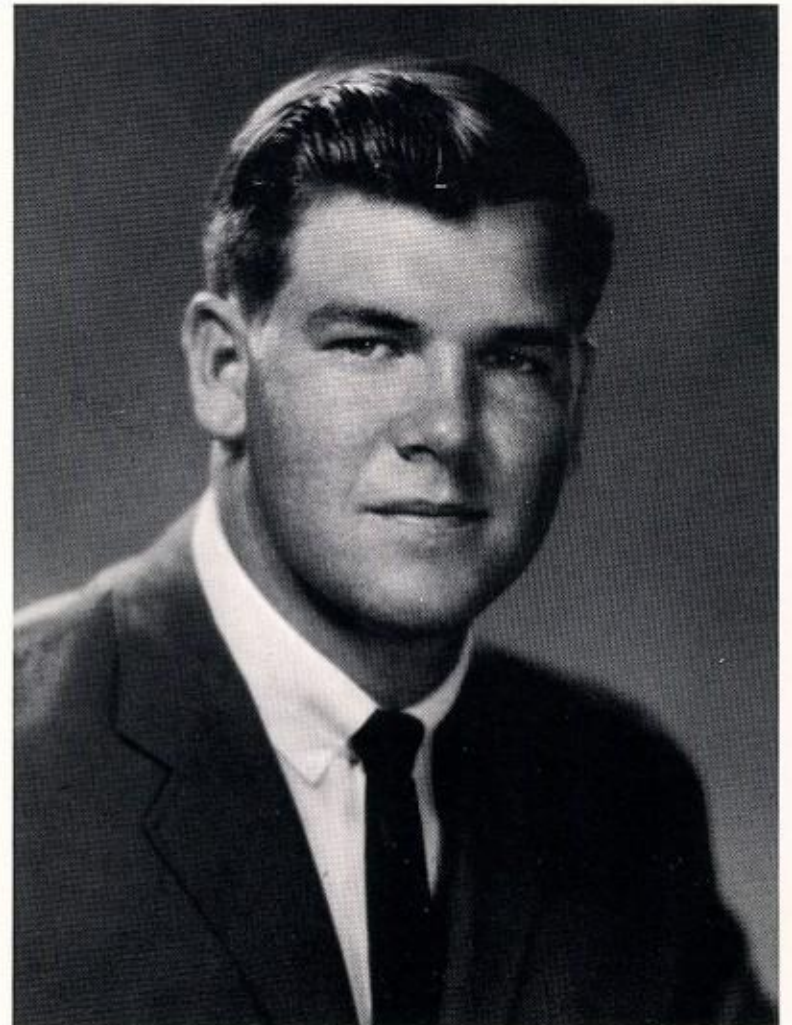

Patriots On Parade

1967 - 1968

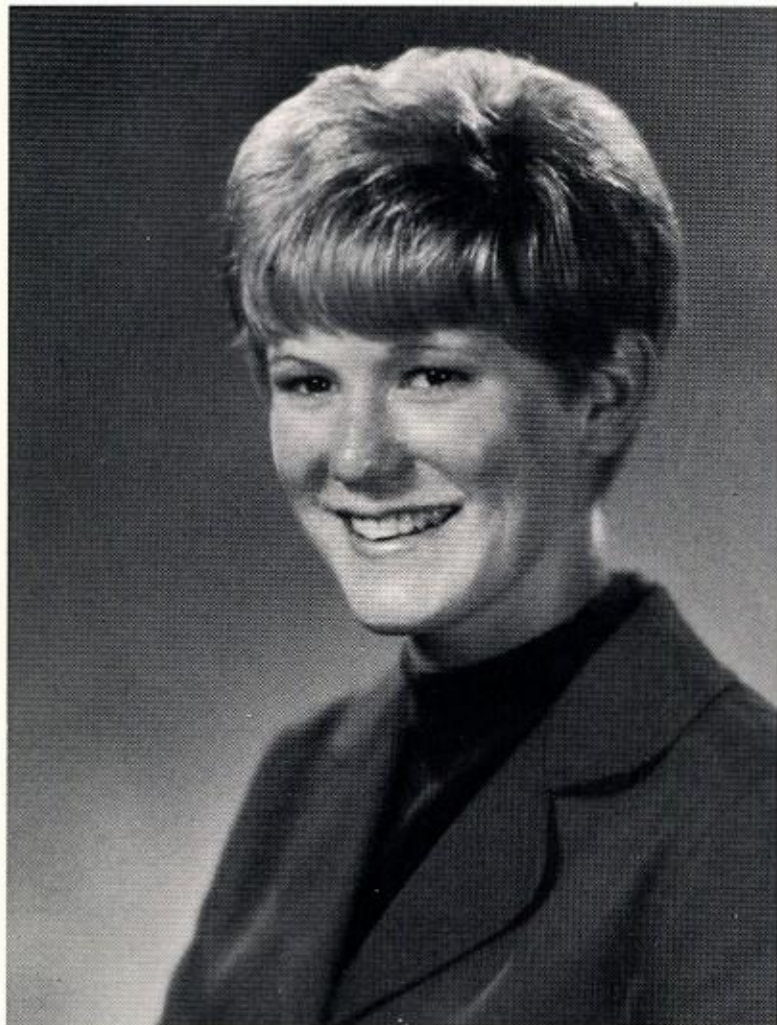

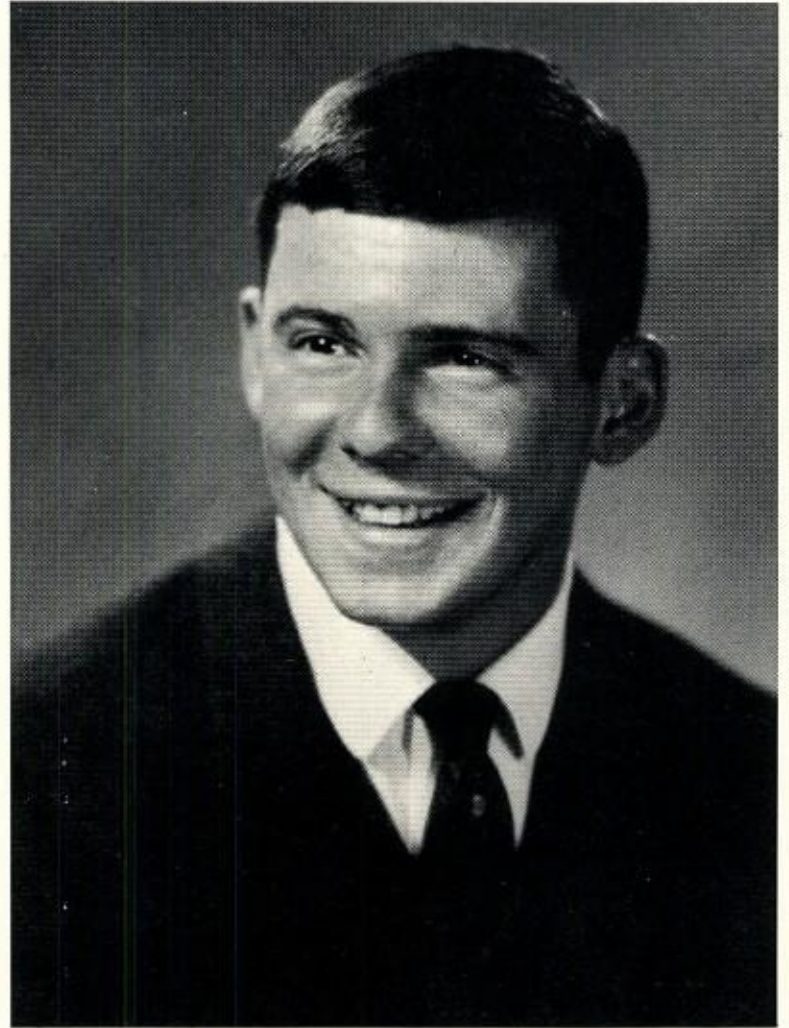

In addition to being Orange Glen's A.S.B. President, Paul Moyneur was also active in other areas of government. He was a delegate to Boy's State and a member of Key Club. Paul was one of the twenty semi-finalists in the state for the Senate Youth Program in Washington, D.C. Paul also participated in baseball and basketball along with being quarterback on the undefeated varsity football team of 1967-1968.

The office of A.S.B. Vice-president was held by Jerry Fenton. This was Jerry's first experience with student government. However, he also served as president of the Key Club. Varsity football, track and baseball are among the sports Jerry has taken part in.

Patriots

Jerry Ferrara served as Orange Glen's Associated Student Body Treasurer for the 1967-1968 term. In addition, he belonged to the Key Club and Lettermen's Club. On the C.I.F. winning football team, Jerry was halfback. Track was also one of Jerry's sport activities. Next year Jerry plans to go on to college. Teaching is Jerry's vocational goal.

Orange Glen's Associated Student Body Secretary was Susan Cadwallader. Susan also served on the 1966-1967 cabinet. During Susan's four years at Orange Glen, she was a member of Deltons, C.S.F., G.A.A. and Spanish club. Next year Sue plans on going to Palomar College and majoring in dietetics or speech therapy.

Student Government

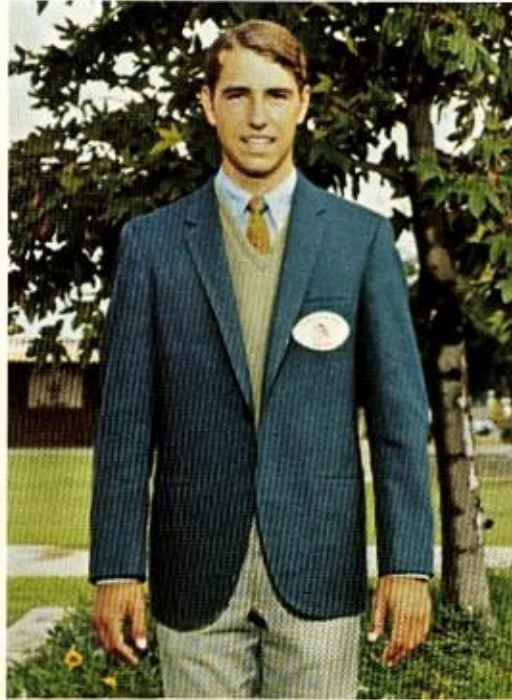

Terry Bower: Comm. of Assemblies

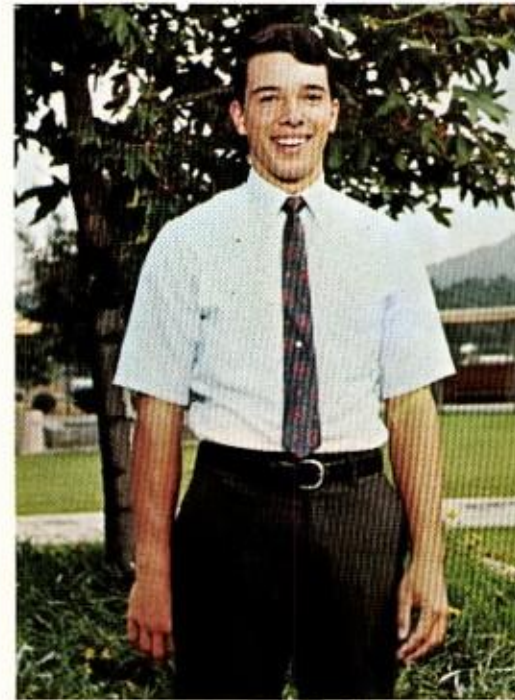

Steff Sarff: Comm. of Activities

Sandra Erickson: Comm. of Pep

Dave Bancroft: Comm. of Clubs & Parliamentarian

Lon Collings: Historian

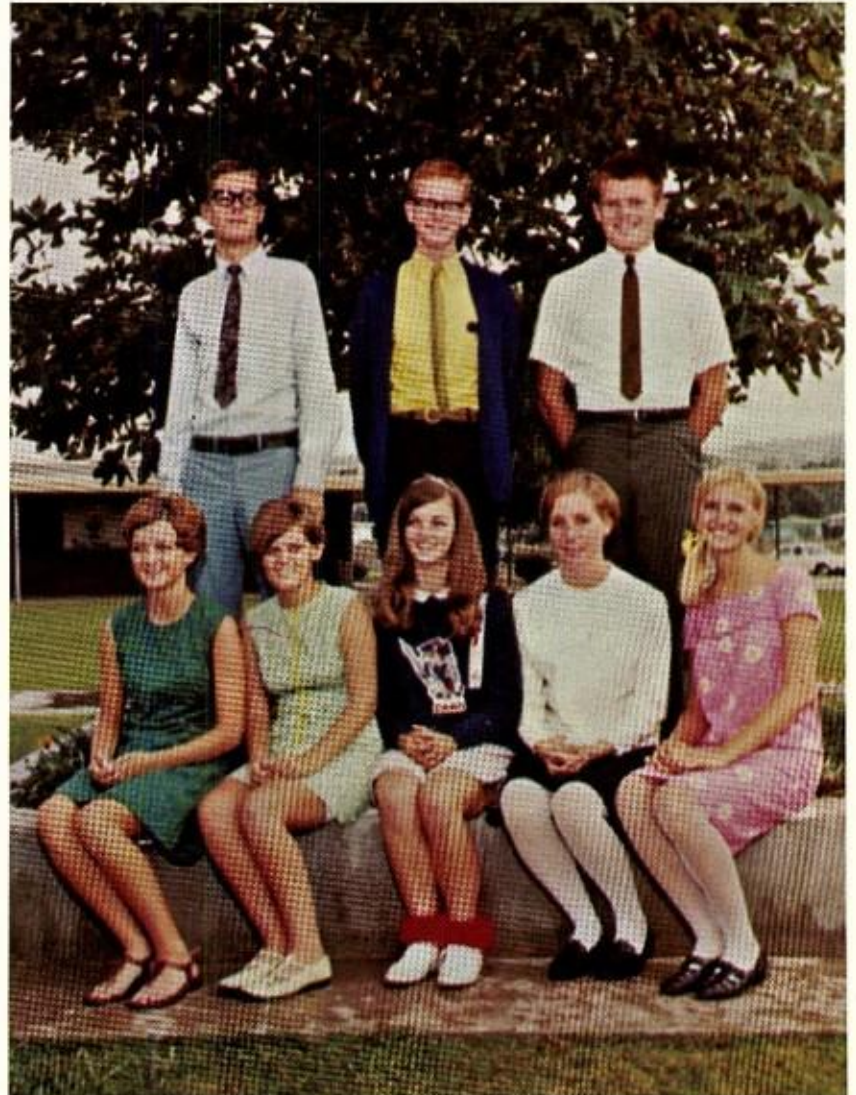

Candy Ballard: Asst. Treasurer

Terry Clanton: Asst. Secretary

Gena St. Denis: Comm. of Public Relations

Boys' and Girls' State Representatives

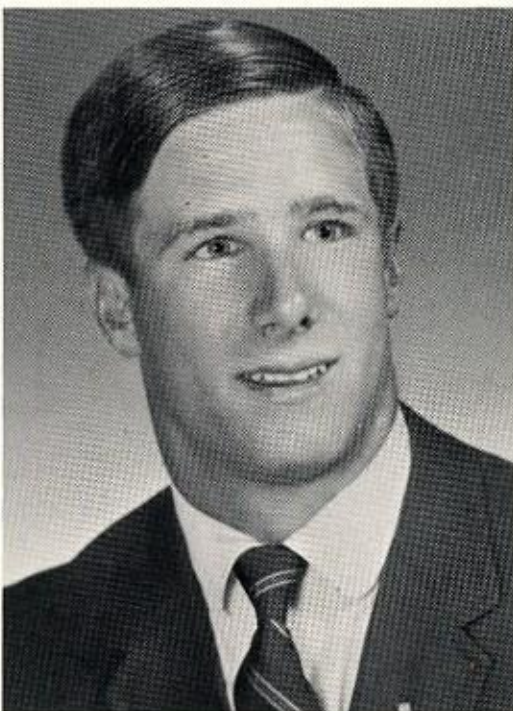

Sandra Erickson

Boy's and Girl's State representatives are chosen by the American Legion and the American Legion Auxiliary, respectively. The representatives are nominated by the faculty. The nominations are based on four important qualities: 1.) He or she should show potential leadership. 2.) He or she should have the ability to get along with others and an interest in government and in his/her community. 3.) He or she must have qualities of honesty and courage. 4.) He or she should be in the upper third of his/her class scholastically.

The purpose of Boy's and Girl's State is teaching the students the role each citizen must play under our system of government.

Girl's State was held on the University of California, Davis campus. The Sacramento Fairgrounds was the meeting place of Boy's State.

Both Sandra and Paul wish more students could have the opportunity of participating in Girl's or Boy's State.

Paul Moyneur

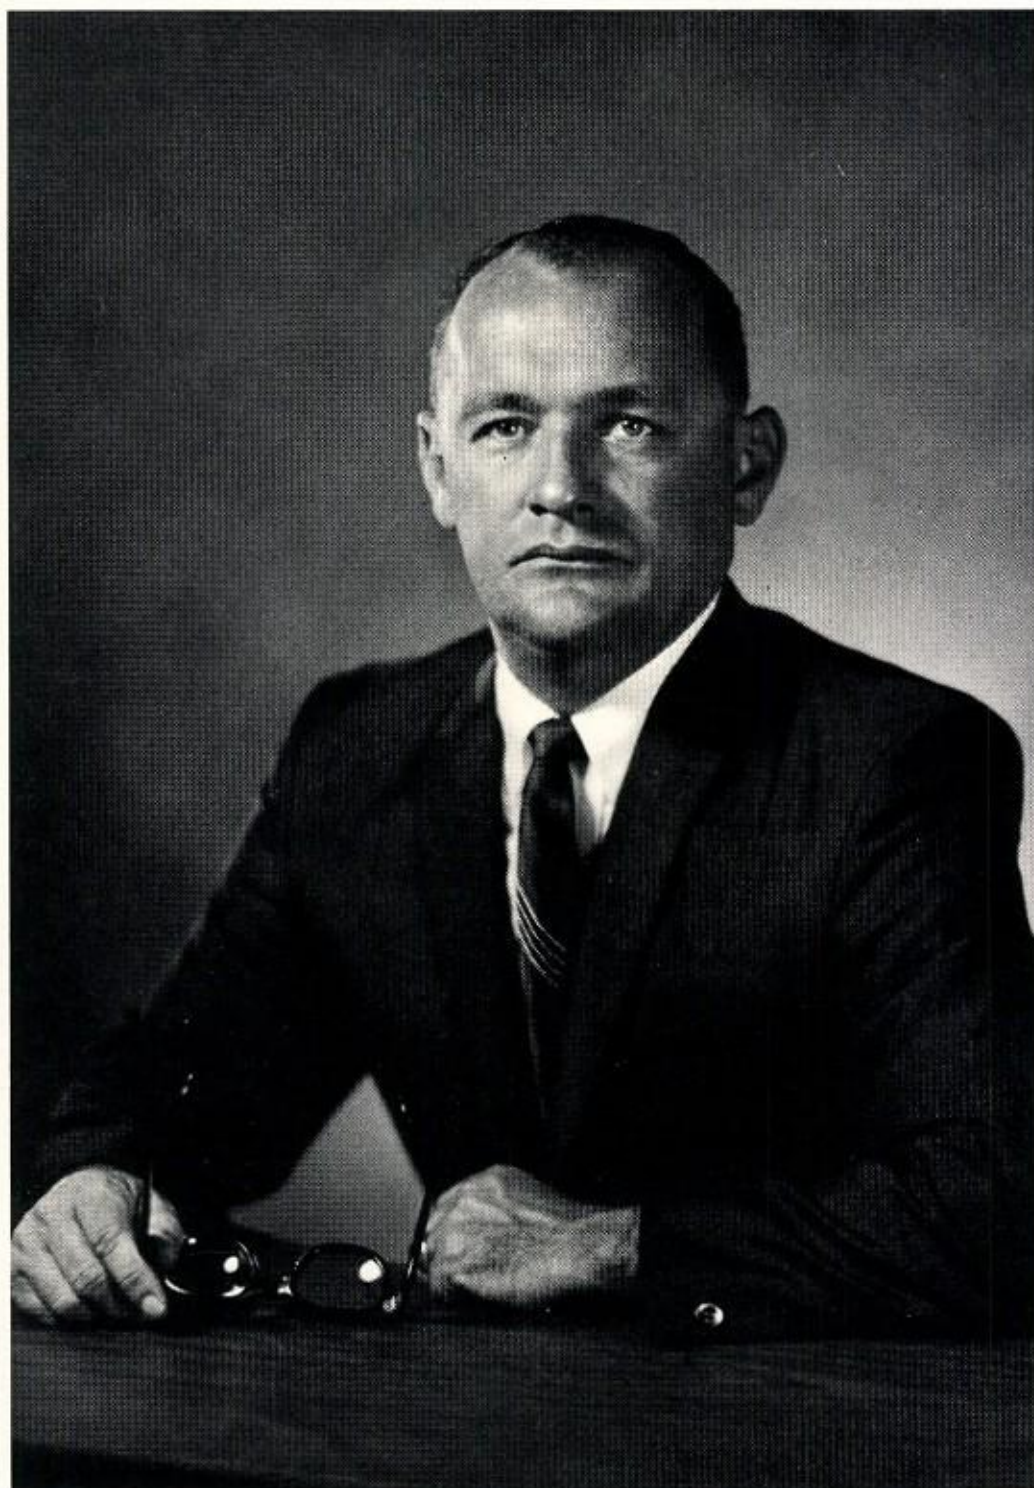

Varsity Cheerleaders: Vicki Hanaway, Barbara Gimpel, Louise Griffin, Karen Cowgill, Dawn Cleaveland.

“fight On to Victory”

J.V. Cheerleaders: Debbie Bornhoeft, Dianne Evans, Mary Benne.

"The Patriots have arrived"

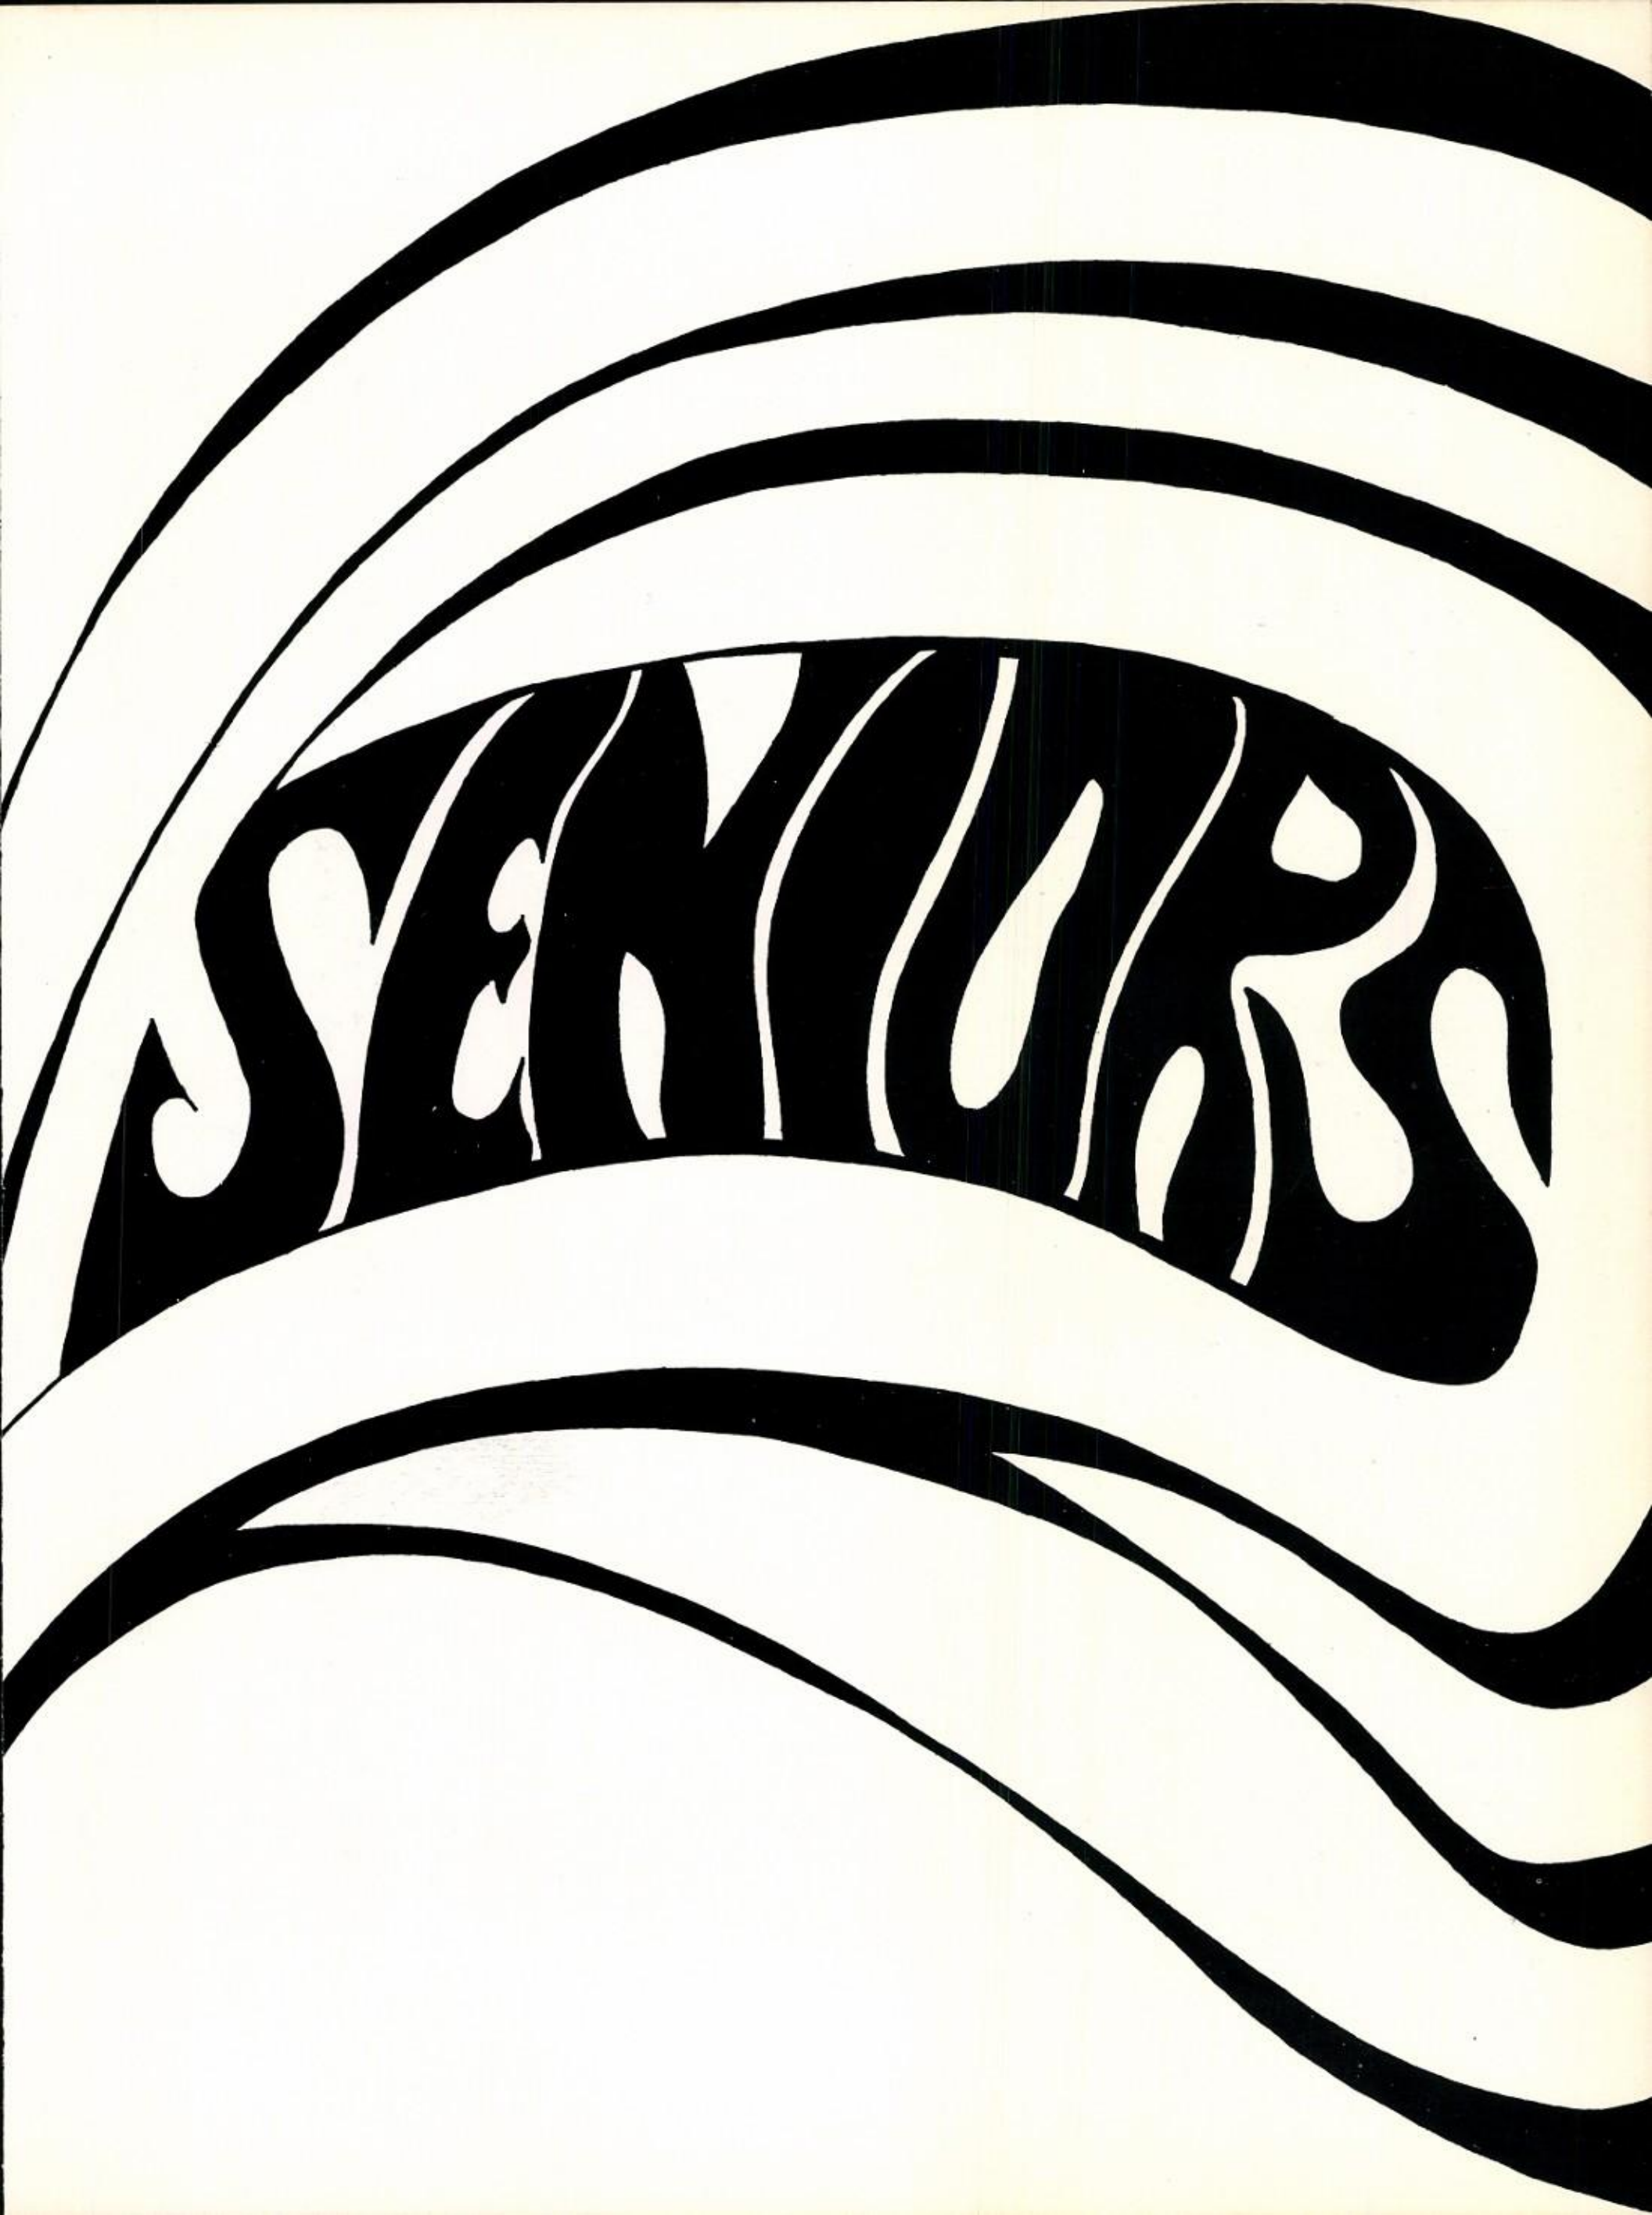

This has been a familiar slogan in the Escondido community during this year. -A highly successful Accreditation Report by the Western Association of School and Colleges; excellent academic achievement by students; vigorous participation in responsible student government; and rewarding experiences in co-curricular activities.

All of this is very exciting and, indeed, important however, I submit that this 'coming of age' is most importantly expressed by a new sophistication which exemplifies the graduates of the class of 1968. Here and elsewhere we have been seeing an ever increasing interest among students to become more directly involved in the operation of programs designed to meet student needs - and this is good! Excellent student talent, good judg-

ment, and an abundance of genuine enthusiasm during the past four years have soundly established Orange Glen High School as a leading secondary school in this county. On behalf of the staff may I offer sincere congratulations and best wishes for a happy and successful future.

We appreciate the part each of you has played in enhancing the image of the Patriots.

Senior gathering

Roses bloom in December?

That snowman just isn't right!

Snow In Escondido?

Do kids ever grow up?

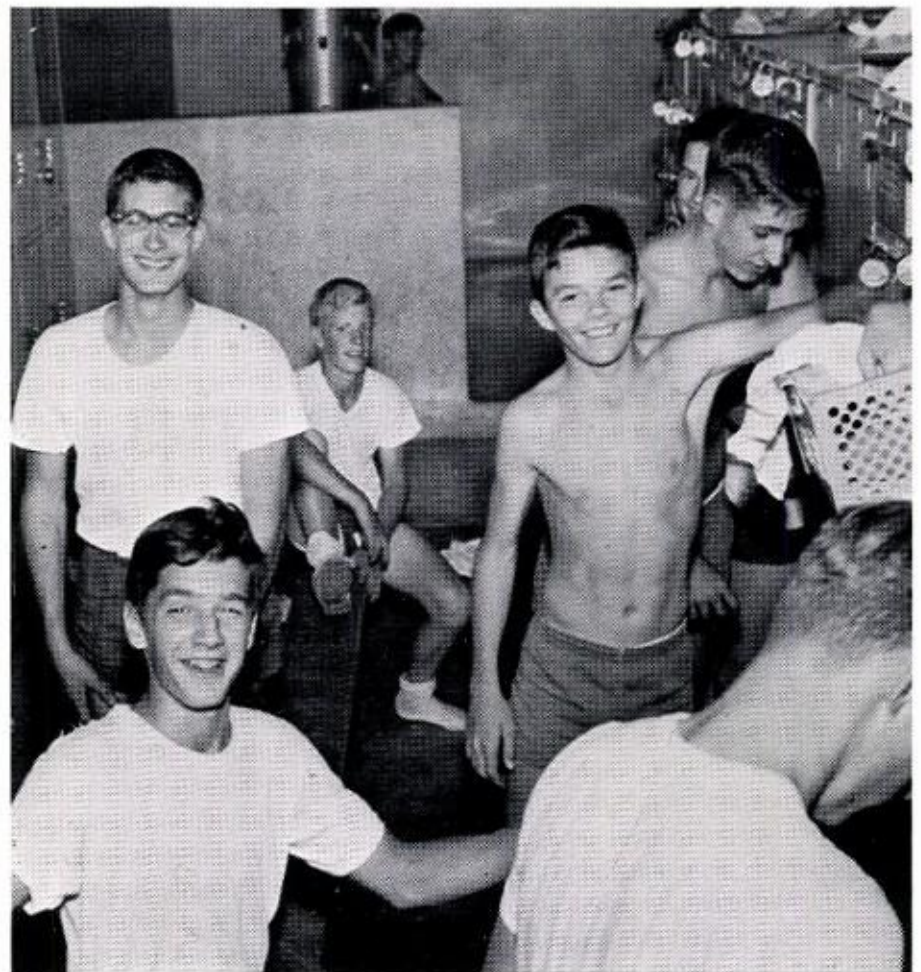

A very rare sight in Escondido.

Once Upon a

Time. . .

There was a girl with dazzling red hair and freckles and the biggest smile around (even though she was no bigger than a pinch of salt.) When ever things were dull and sad she would think of something funny to say and then you would hear her cute laugh. Guess who? I'm so glad that I have gotten to know you in this year. You're one of the greatest persons I know. Best of luck in everything and May God bless you.

Love
Judy

Orange Glen's Counselors are always ready to help the student body members...

*G.W. Quade
District Superintendent*

Dear Students,

Many will remember the school year 1967-68 as the year when Orange Glen High really came into its own. As I write this brief message to the students of Orange Glen High for publication in the 1968 school annual, only a few short days have passed since the Patriots claimed the County Conference C.I.F. title in football and completed an unbeaten and untied football schedule -- a truly remarkable accomplishment for a high school which first came into being in the fall of 1962.

This is not the first nor will it be the last of the outstanding awards to be won by the students of Orange Glen High School. These will continue in the field of the academics, in athletics, in music, in drama and in every other area of student activity so long as we have teachers and students of sincere dedication who are willing to make the necessary self-sacrifice for a worthy cause. Many members of this year's senior class have demonstrated their complete dedication by their many accomplishments. Their example has been a fine one for all students to follow in the future.

Sincerely,

G. W. Quade
District Superintendent

SCHOOL BOARD--LEFT TO RIGHT: Ward C. Sangren, William M. Kennedy, Wilber F. Bradley, Michael C. O'Malley, Chester E. Galyean.

This was the year of the "happening" and opportunity. Many great things happened at Orange Glen which have affected all of us in some way.

The honor and pride brought to Orange Glen by an undefeated football team is a legacy which will long be remembered by all students and staff members. More important, was the quality of maturation and sportsmanship of the gentlemen who brought this conference championship to Orange Glen. It is a tribute to the characteristics which are desirable and typical of most Orange Glen students:

I think the ambitious efforts of our ASB officers, representatives and campus clubs are to be commended! Their efforts have proven that a greater involvement stimulates a greater interest in all activities.

In any given year, the opportunities for individual growth and worth are many. I know that great strides have been made by many students in the quiet areas of academic awareness, and these accomplishments will manifest themselves three fold in the future.

Because we lose forever the chance to re-live any year, we must all ask ourselves - "have I made the most of my opportunities?"

Mr. Disney and fellow Pats looking over winning news articles...

*Dr. Helen Roberts
Head Counselor*

After being involved in teaching and counseling for forty-two years, Dr. Helen Roberts says, "Orange Glen is the 'Best.' and I am very proud of all our winning teams!"

Dr. Roberts has been at Orange Glen for the past four years and has played a very valuable role as the head counselor. Almost everyone seeks Dr. Roberts help at least once, if not twenty times, during their four years.

As the Head Counselor, Dr. Roberts patiently irons out students schedules or any other student school problems, as well as, listening to personal problems, dutifully administers tests, and sponsors the California Scholarship Federation with Mr. Brown.

Dr. Roberts is especially well-known among the Seniors. Constantly advising the graduating class on professions and colleges, she tries to make the students decisions easier by arranging college representatives to speak to interested and questioning groups of Seniors. The Senior Bullentin is one of Dr. Roberts best ways to keep in contact with the graduating class. Her interest doesn't stop at college bound students; she enjoys helping anyone, no matter where he is headed after Orange Glen. Her only regret is that she can't meet and get to know everyone on campus.

One of the main highlights of 1967-68 for Dr. Roberts, was her visit to Annapolis. She found that the students there were most successful, willing to conform and to study hard. She also noted that three of Orange Glen's alumni were doing well.

As everyone can see, Dr. Roberts does play a very important part in Orange Glen's affairs. On behalf of the students, we want to say - Thank-you for everything!

CURRICULUM

Continues To Improve

Orange Glen High School has continued to excel in many aspects of its educational program.

The students and staff have shared in bringing honor and additional recognition to the already well-recognized school. This, I am sure will continue to accelerate because of the interest, enthusiasm and perseverance of the entire school population.

As an addition to the academic program, we are looking forward, with excitement, to the full development of the potentialities of Instructional Television at Orange Glen High School. With the completion of the installation of the Master Antenna System, with amplification and redistribution capabilities, the reception of a wide variety of educational programs should be realized. This system will make possible the development of locally produced programs, the taping and redistribution of well-planned programs emanating over KEBS Channel #15, as well as Channels 6, 8 and 10. The use of this system will be as versatile and as all encompassing as the personnel associated with it. We expect great educational accomplishments from it.

We are pleased that the Distributive Education work experience program at Orange Glen High School is off to such a fine start. We are hopeful that it will be expanded to include more students. This program, we feel, has many fine aspects which are extremely valuable to our students as they plan for their respective vocations or careers.

Efforts will continue to be made in expanding the area of vocational education offerings and opportunities at Orange Glen High School. This could be in the field of Electronics, longer periods of time for Automotive Mechanics, and an extension of Data Processing.

Classes in Special Education have started this year for 9th and 10th graders and will be expanded to include 11th graders this coming year. This special program will, I am sure, continue to improve in order to meet the needs of those eligible students attending Orange Glen High School.

Expansion of the programs for the mentally gifted students will continue to receive special attention and consideration as we look and plan for the future.

We certainly desire that all students avail themselves of the many and varied opportunities offered by Orange Glen High School for developing the capabilities of each to the maximum.

*W. P. Radney
Assistant Superintendent
Director of Curriculum*

W. P. Radney

W. P. Radney
Assistant Superintendent

Curriculum

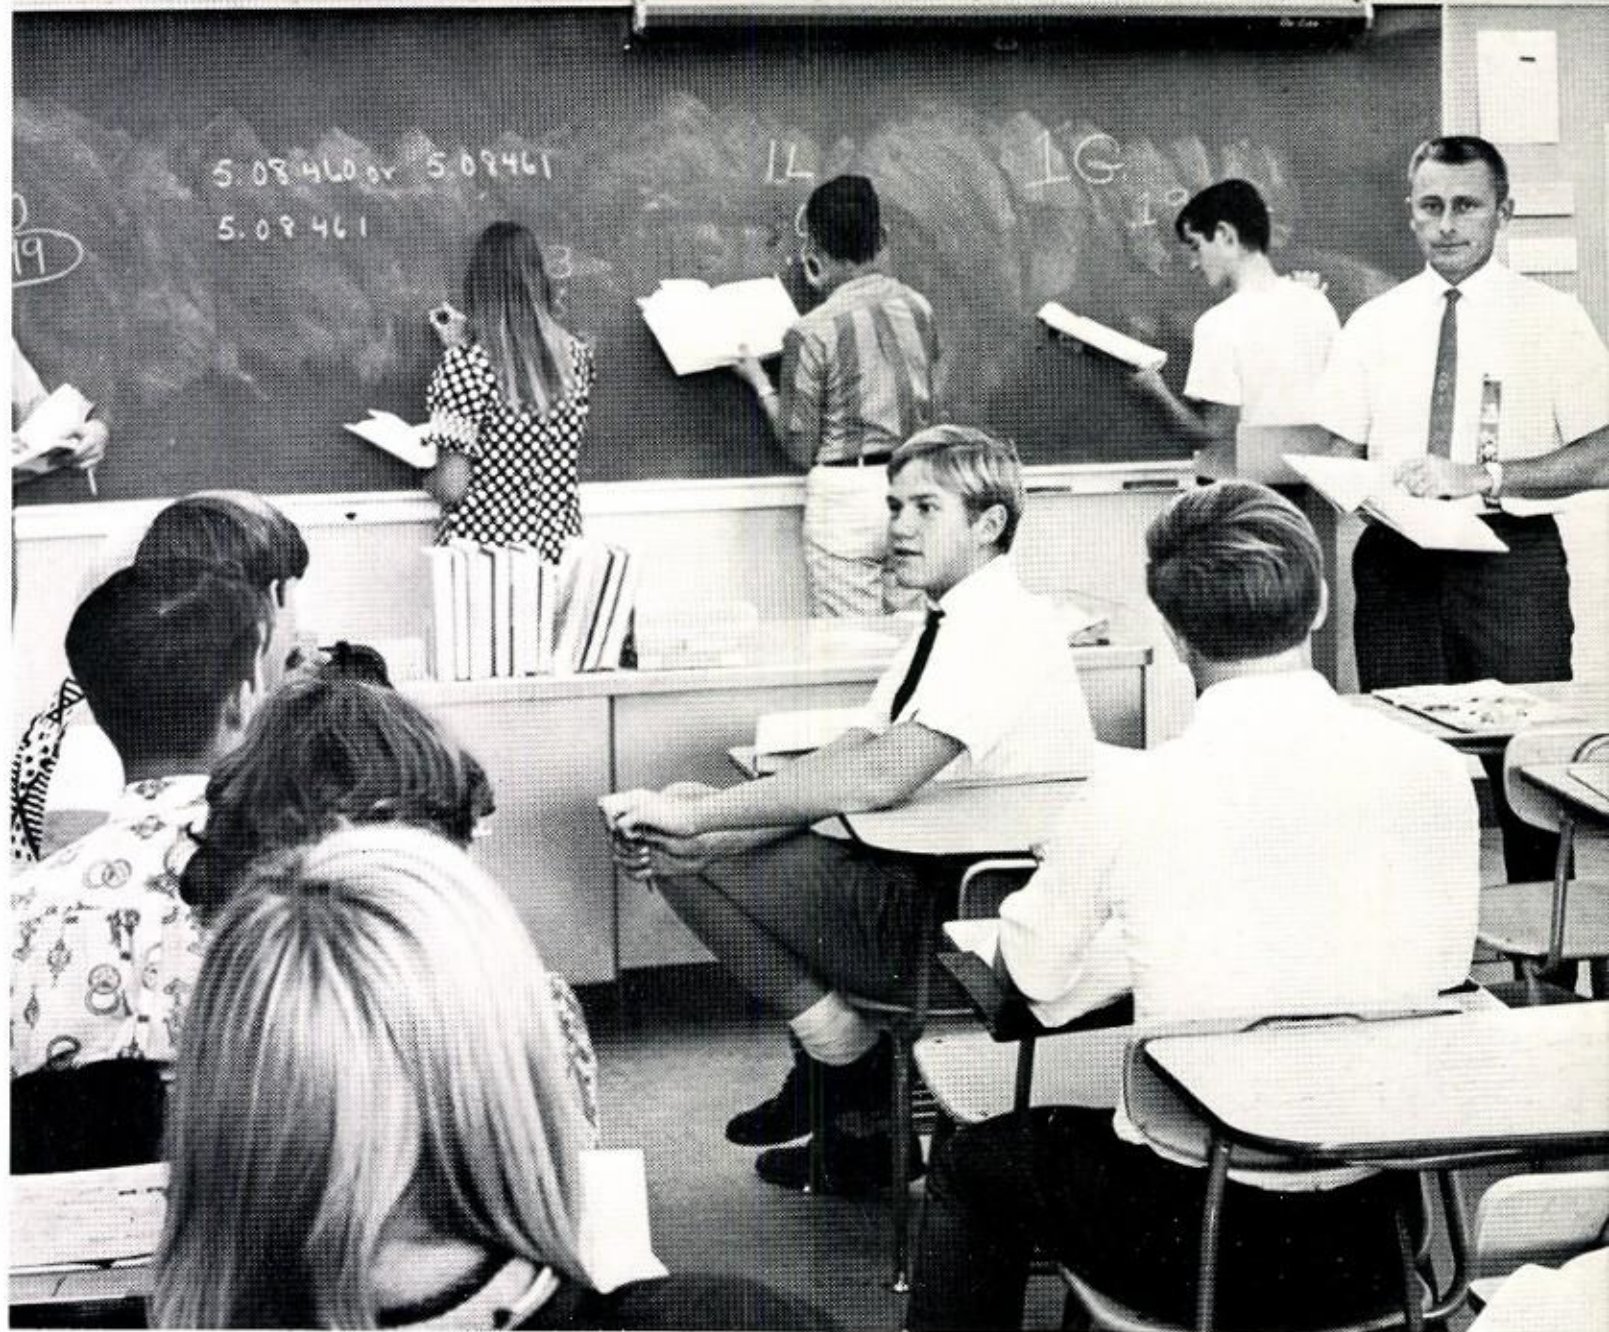

Students and Faculty of Orange Glen High School have seen many revisions and numerous improvements in curriculum. We have also witnessed a fabulous improvement in school spirit, team ability, and school life in general.

In the process of student training there seems to be a time to work and a time to play. Work is certainly practiced in the first eight grades. The student is taught to solve his own problems and in doing so he learns to reason. The power to solve one's own problems is a worthy accomplishment in itself.

There is also a certain element of enjoyment. The pupils learn to use their hands in the lovely items such as pottery, sculpture, papier mache articles, and even sandals. Crafts is an entertaining class as well as educational.

Physical Education Classes provide a healthy environment for all students during high school. P.E. classes are also known as "literal torture" brought on by utter exhaustion.

Terry Gibson works on the potter's wheel while Mrs. West looks on.

Mr. Turner instructs his math students.

Fifth period Boy's P.E. plays tag football.

Drama students perform their class play.

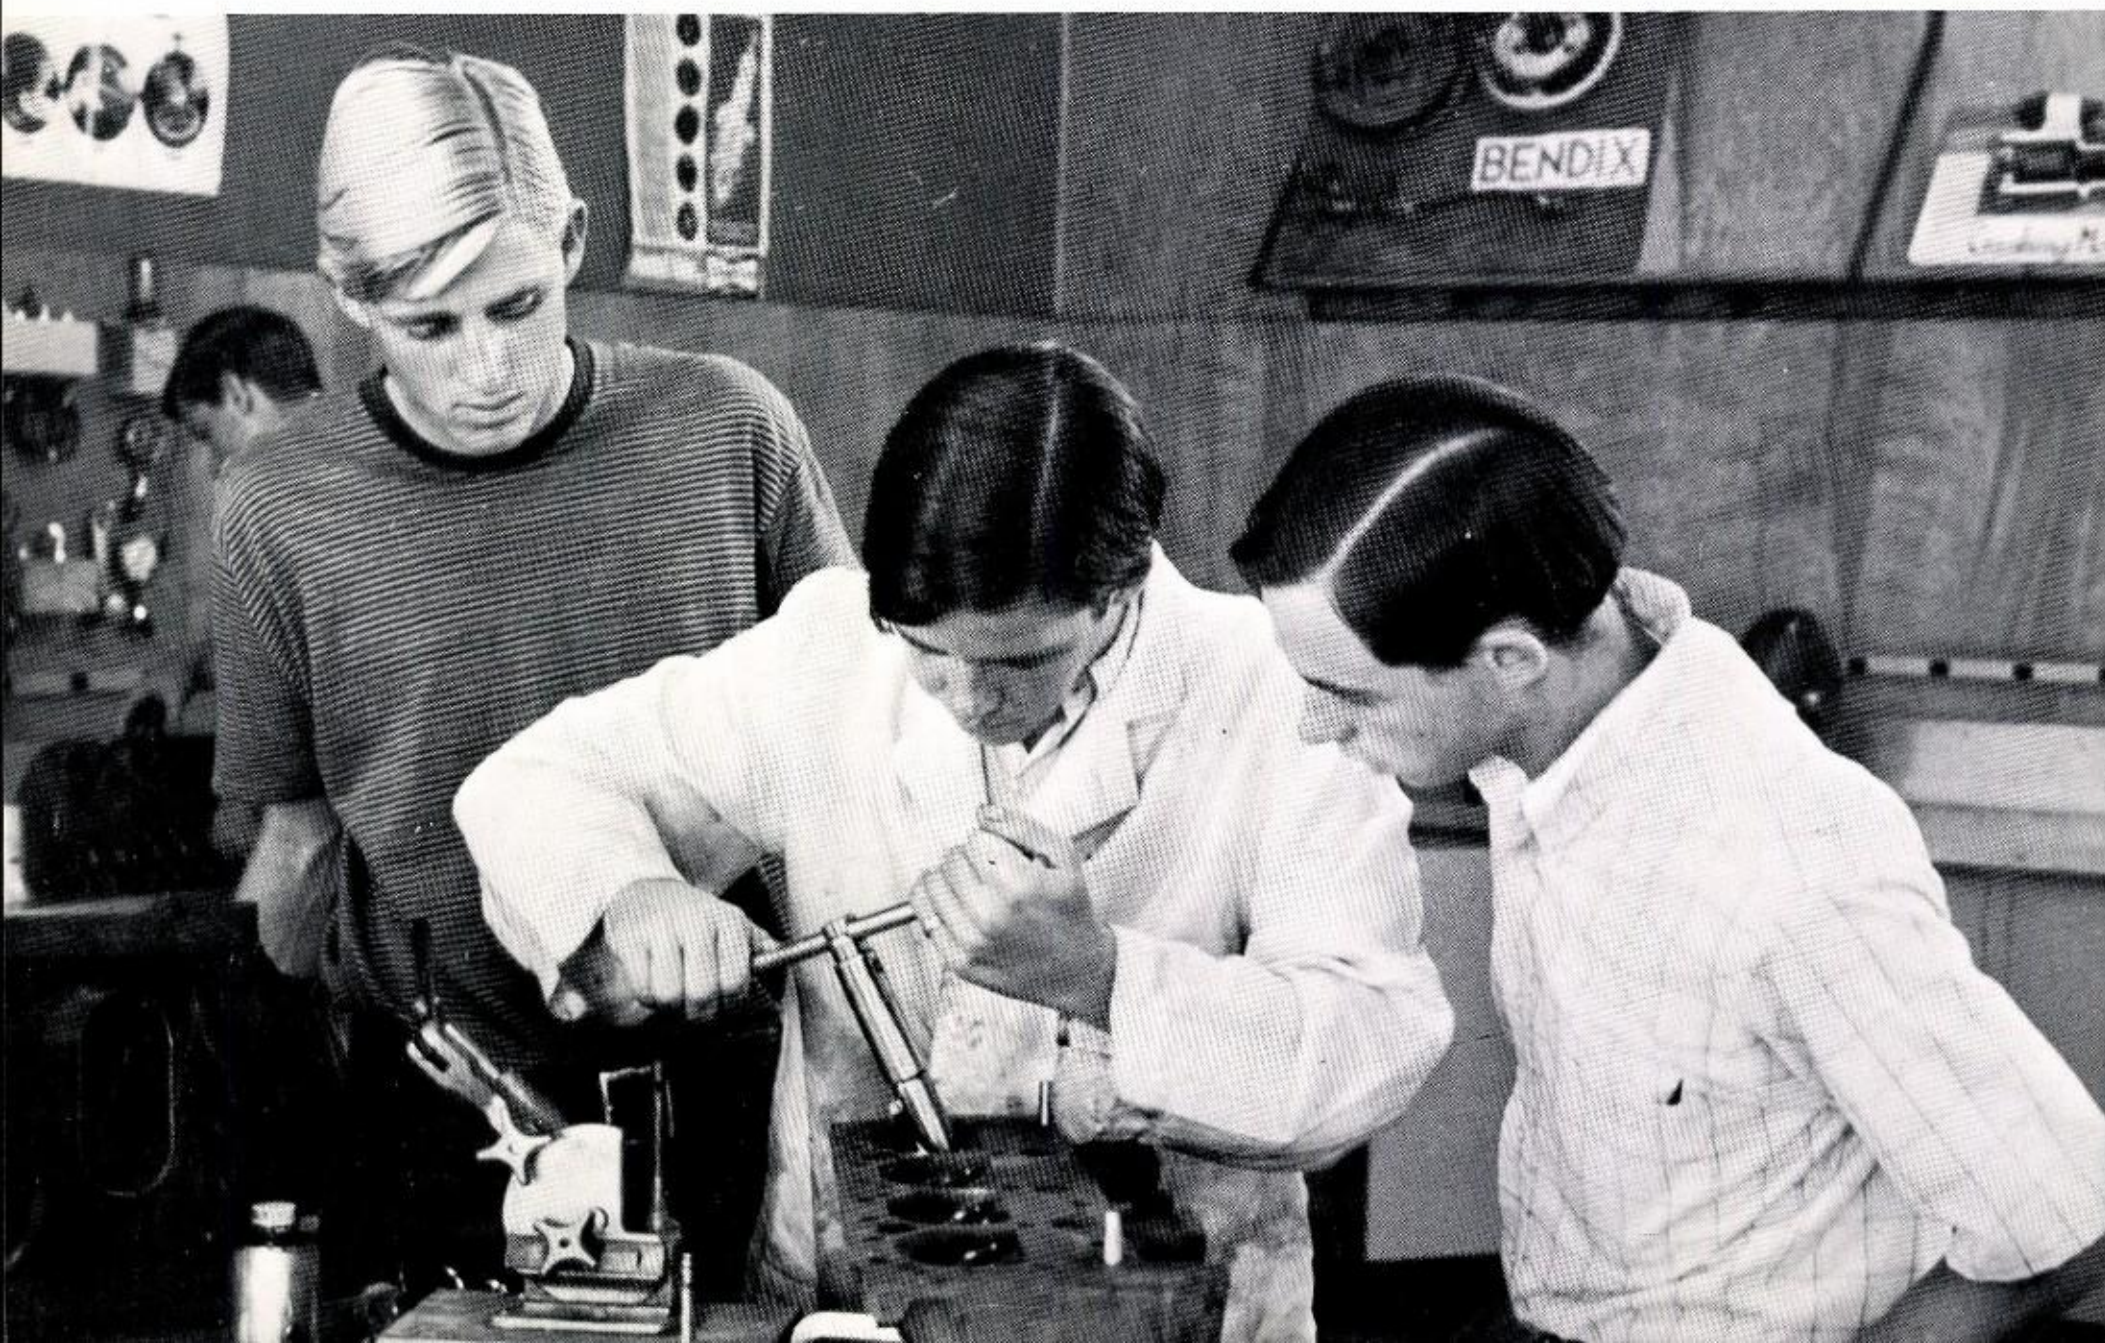

Our natural instincts tell us that a person is almost meaningless without a proper amount of effective communication. As a person progresses in life it becomes very important to use our natural abilities correctly.

Speech and Drama instruction helps students contain or illustrate their emotions. The students are trained to talk so they may be easily understood, but they are also taught to listen to others. No matter what profession you choose, the ability to talk constructively and to listen carefully is essential for a successful life.

In Auto Shop boys are instructed to treat their cars correctly. This knowledge helps insure the boys with very efficient running automobiles. This training will be very useful if they are ever one of the millions who have a long and lasting complication described by experts as "car trouble."

The wonderful improvements in audio-visual equipment have proved beneficial to many classes. The audio-visual tape recording unit, along with television sets, make it possible for students to view and discuss educational programs. Closed circuit television equipment makes it possible to tape by sound and picture an important assembly, or perhaps a school play for the purpose of reviewing, teaching, and entertaining. The camera also makes it possible for the students to view themselves on the screen. One picture is obviously worth more than a thousand words.

Andy, George, and Marty--future mechanics at work.

Television aids Mr. Pusker in instructing his World Geography class.

Future homemakers at work.

Typing will be rewarding for those students who will use it in their careers.

Home Economic Classes will help girls learn homemaking through experience itself. They will be taught kitchen and meal planning along with preparation and service. The vastly equipped homemaking rooms make provisions for sewing, cooking, and cleaning. The talent acquired in school will be used regularly and will certainly be appreciated by the girls.

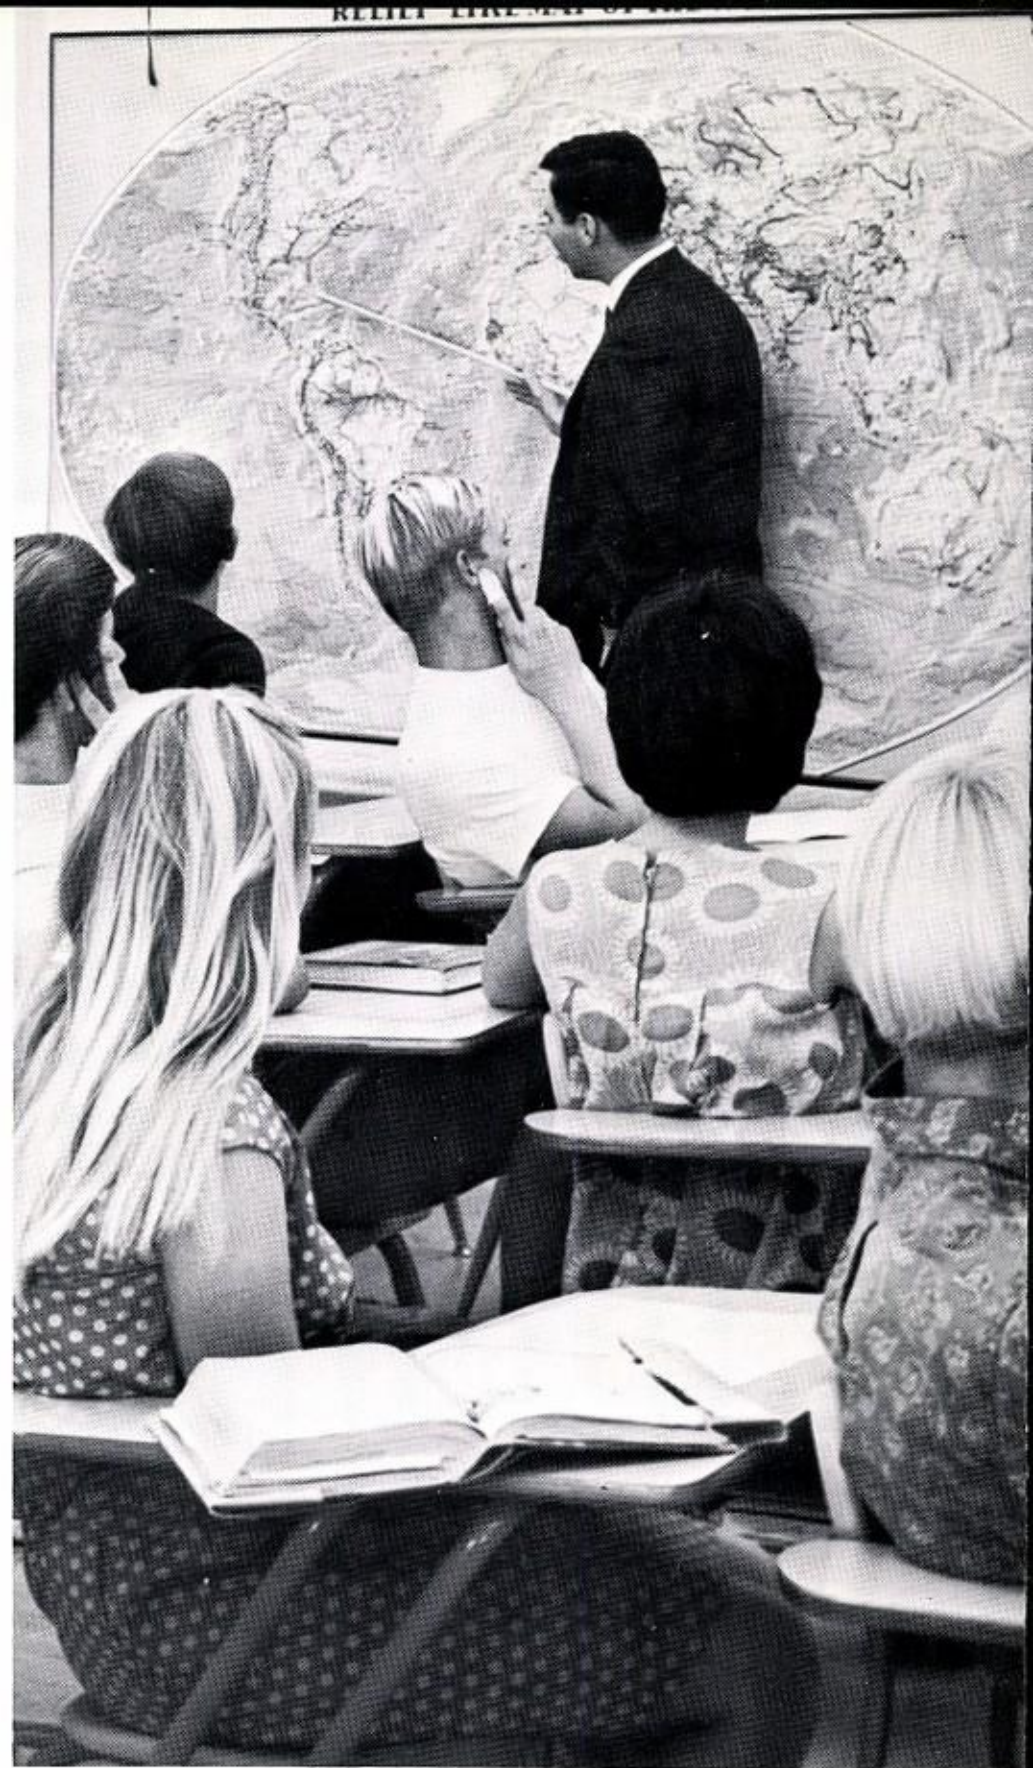

In United States History Classes the students are taught the history of the country in which they live. The students learn how and why we are governed by a democratic government. The students learn about the many historic incidents and great men that help make history the exciting subject it is. The knowledge gained about the United States of America helps us to be better and prouder citizens.

In Civics class, seniors are taught to evaluate and deeply appreciate the laws that govern the United States. History will prove valuable because it will be rewarding to know why laws were made as well as their function. All through our lives we will appreciate the fact that we know the rights promised to us as United States citizens.

On a lighter side of our school life is the elective course of art. Art is centered around design and color as applied to various art activities. Art can be brushes filled with entertainment. The various techniques of painting, drawing, and combining colors will be very useful to the students striving for an art career.

Typing is such a rewarding class it seems almost supernatural. Typed term papers and various other assignments bring a higher grade. The ability to type correctly will prove valuable when searching for secretarial employment.

Sophomore students taking Biology are presented with the science of life itself. Through the use of scientific equipment the pupil may observe living tissue and, by doing so, may learn that many laws and principles apply to all forms of life. The word "biology" means the science of life. This science is taught in hopes to improve the knowledge of life forms.

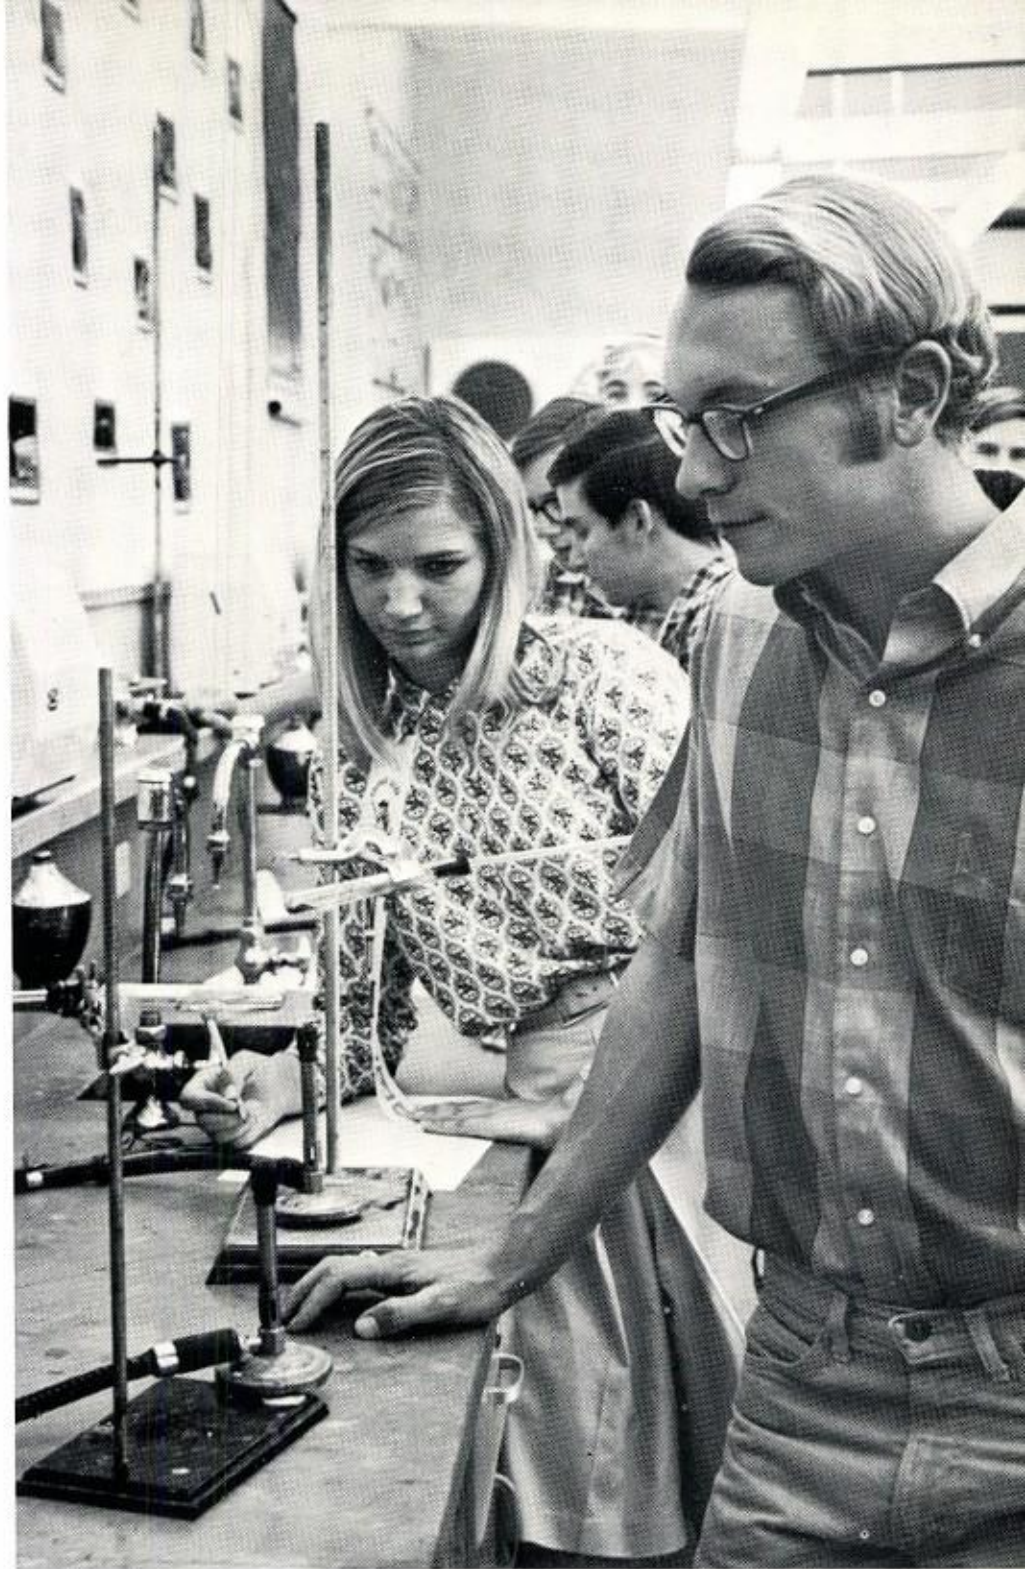

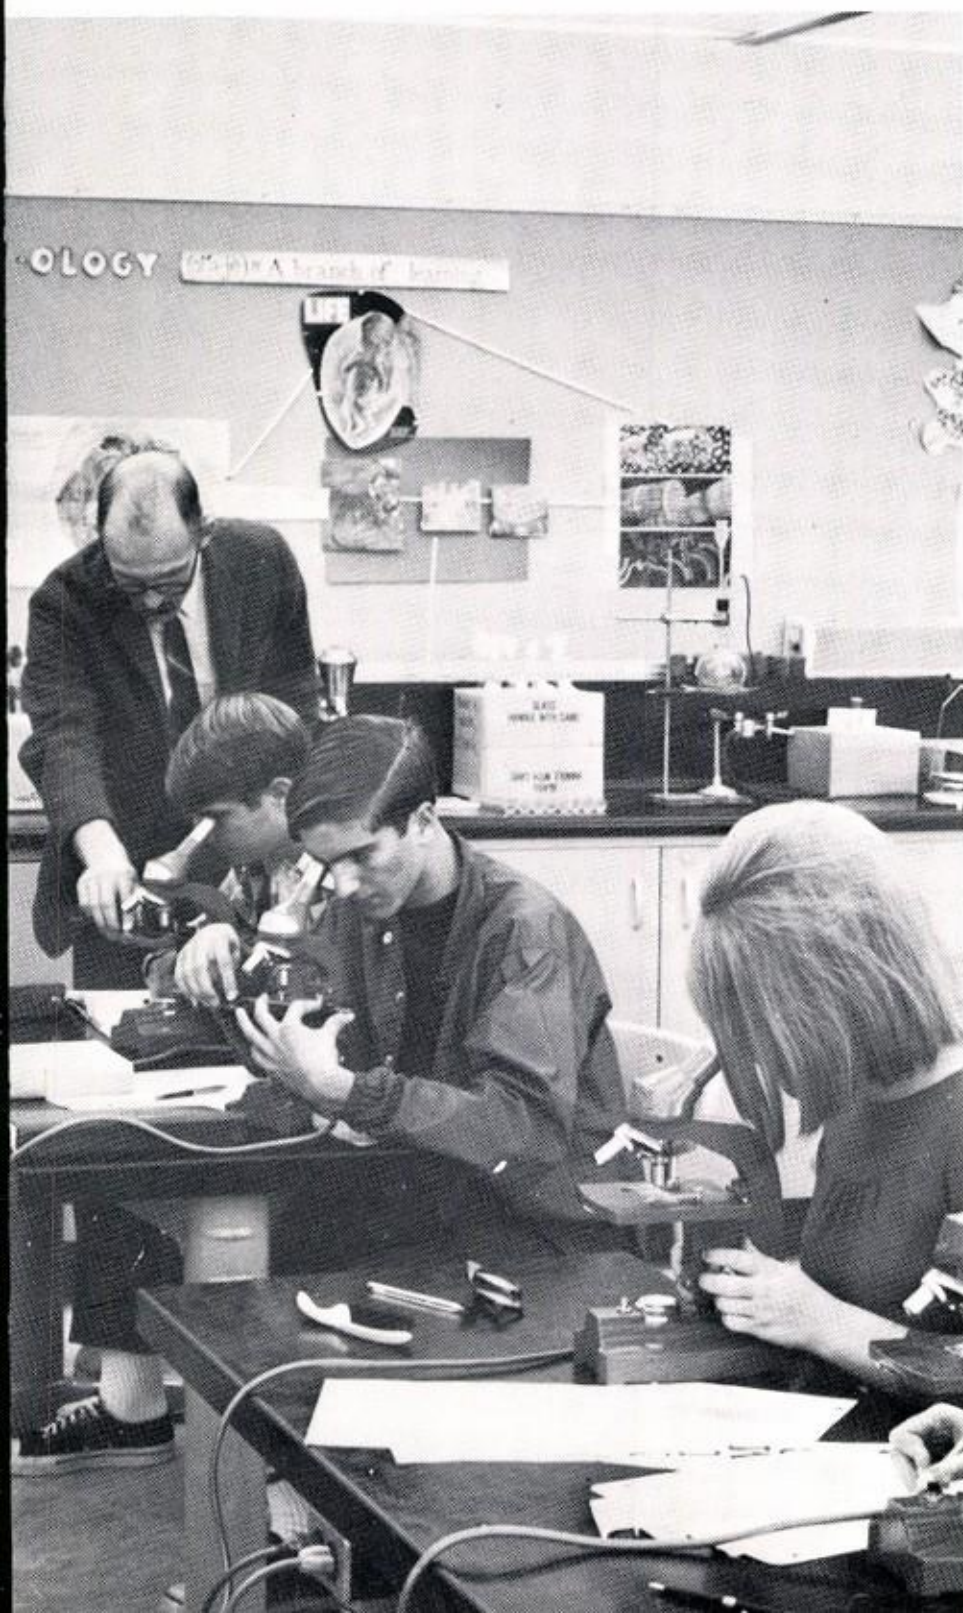

Mr. Boynton points out an area of interest to his seventh period U. S. History Class.

In this Art I Class students learn the basic techniques of water color.

Darrel Waters and Karen Cooper look for books for English at the Book Fair in the library. Biology students work on their lab assignments.

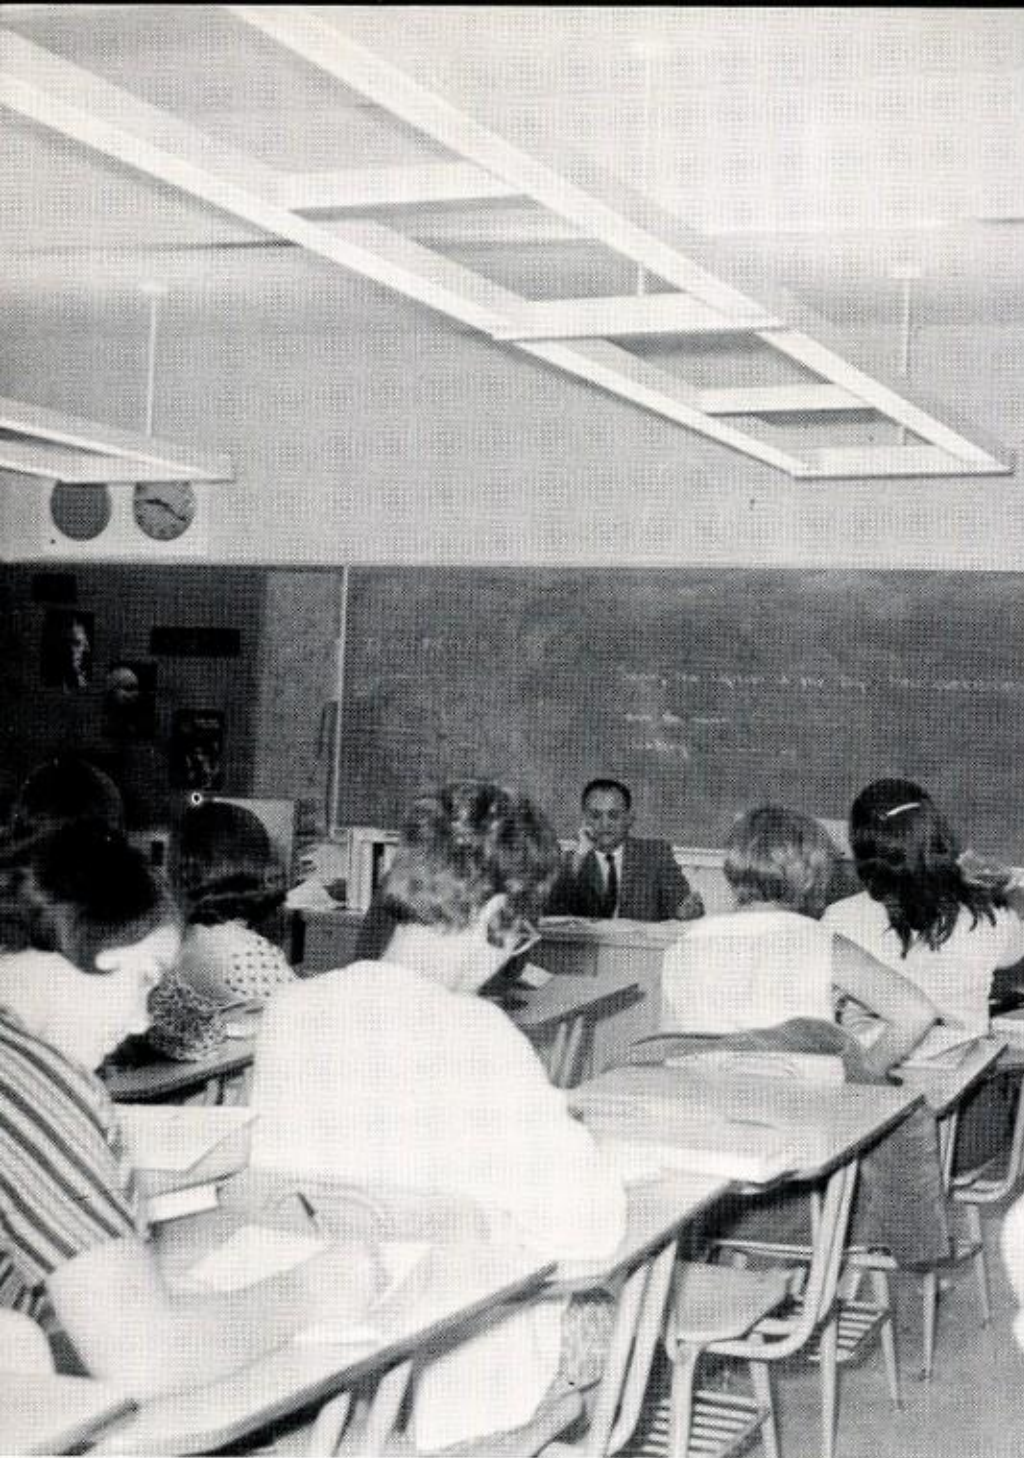

Jim Witt and Roni Schouten are involved in a Chemistry experiment.

Chemistry is the science that tells us what matter is and how it is constructed. Pupils taking Chemistry learn how to change or convert things of the world into new products, such as rubber, nylon, plastics, and many things to better our living. This knowledge will prove quite beneficial in laboratories, universities, manufacturing plants, and many other areas.

The students of Orange Glen were presented with the opportunity to purchase paper back books at a reasonable price. Approximately two thousand books were offered on every subject imaginable. The paperback menagerie was set up in the library and it was reported to be a wonderful success.

Each pupil is presented with the choice of taking one of several different foreign languages. They may learn the basic grammar and correct oral expressions. The student is taught to appreciate the knowledge of cultural background customs.

Mr. See's English III students are hard at work.

Headphones help to aid students in foreign language.

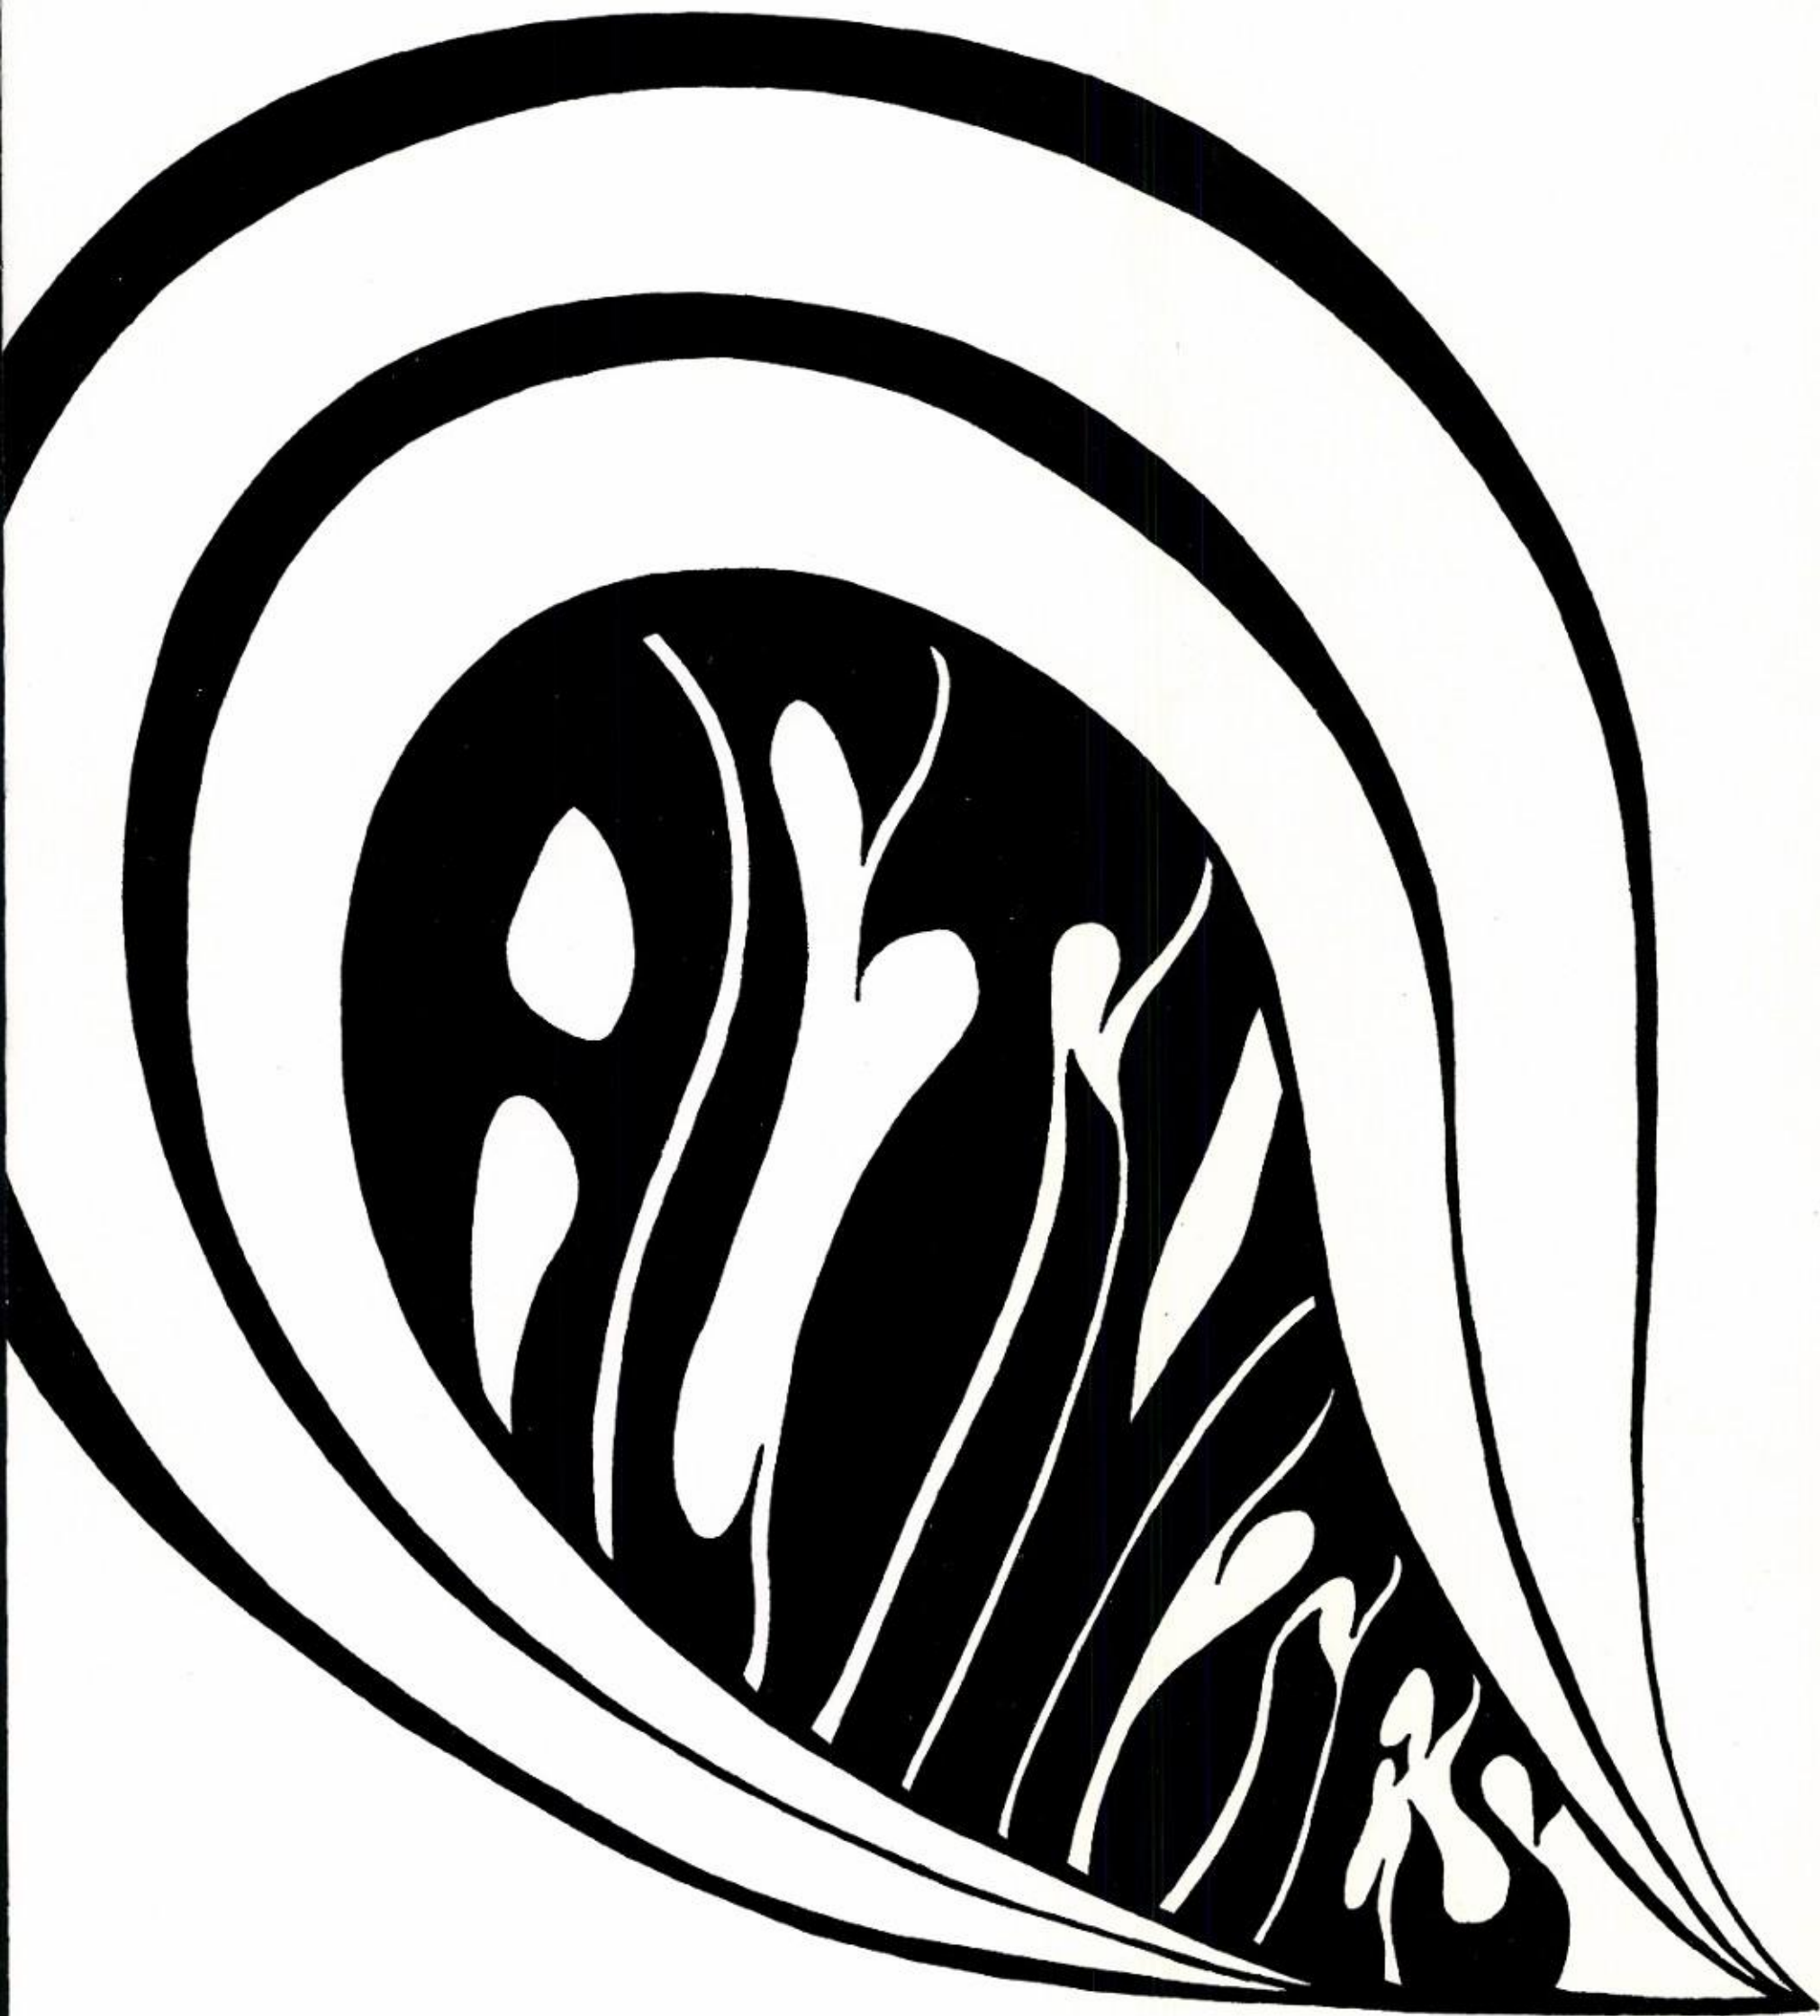

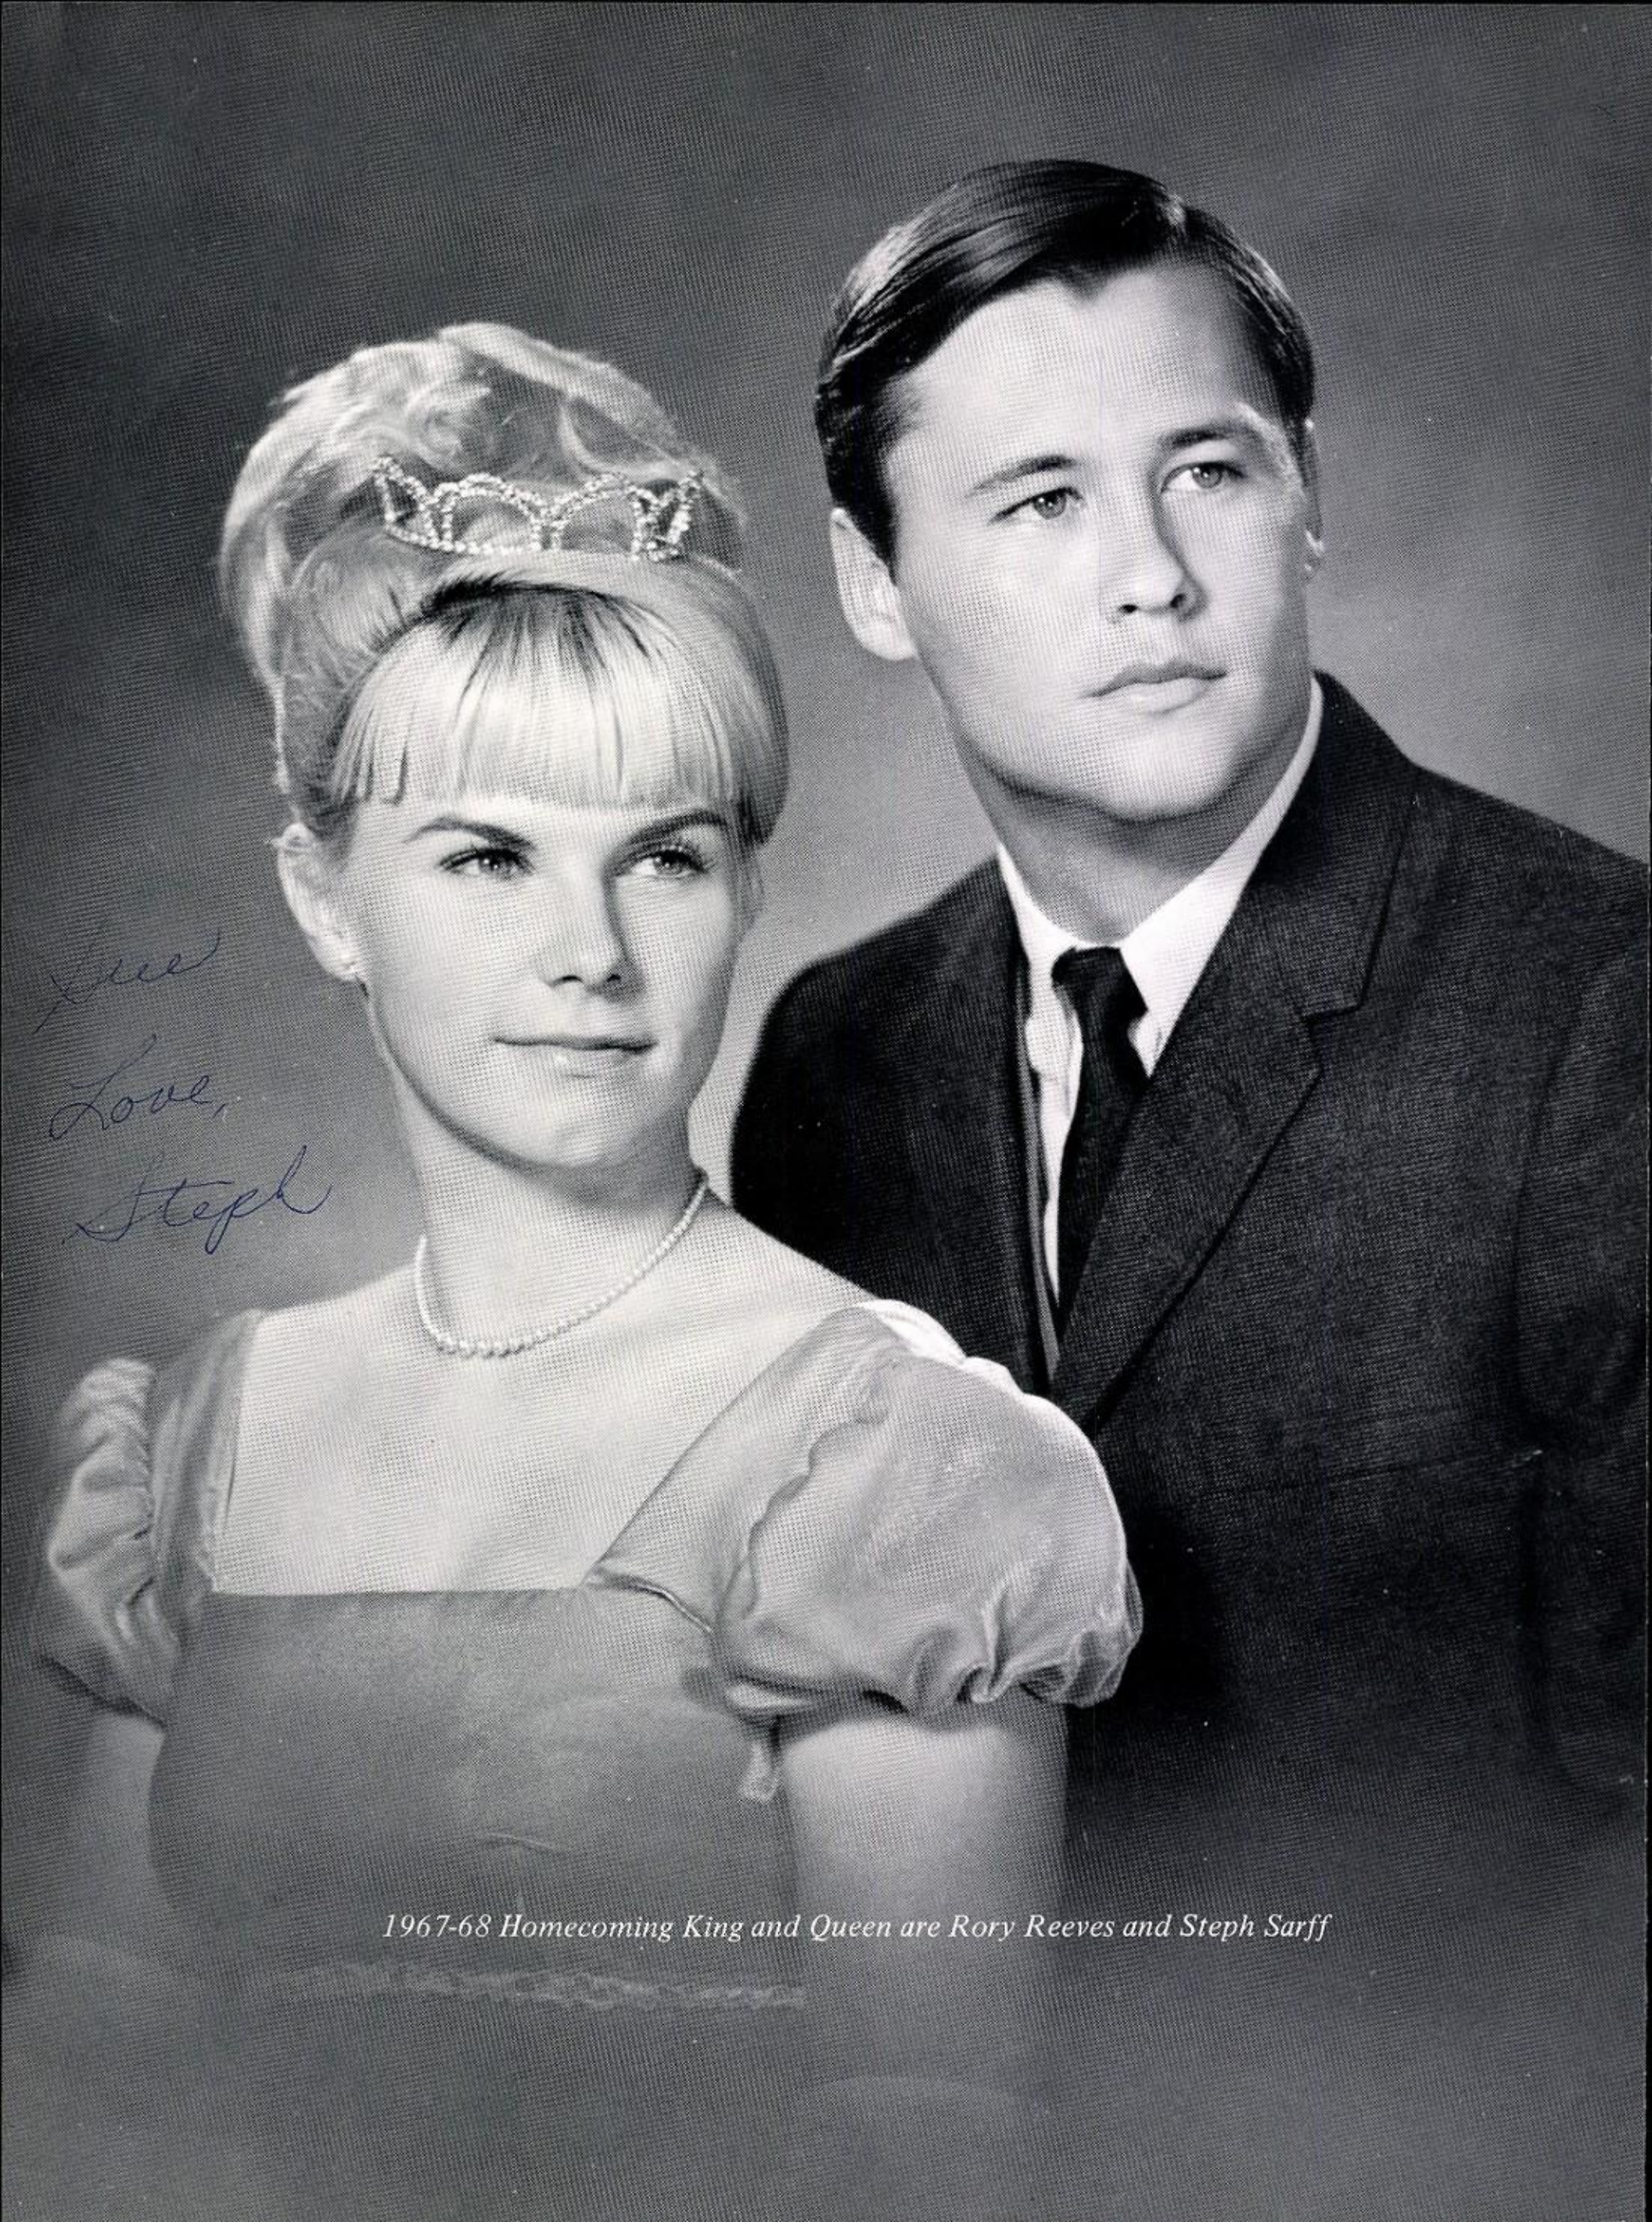

Mrs. Booth helps to train Linda Shippman on the office machine.

Clerical practice is an elective course that will prove beneficial to anyone interested in routine procedure of regular secretarial services. The students are taught to utilize and improve their typewriting skill as well as their penmanship and ability to work with numbers. The student also learns the correct use of oral and written English.

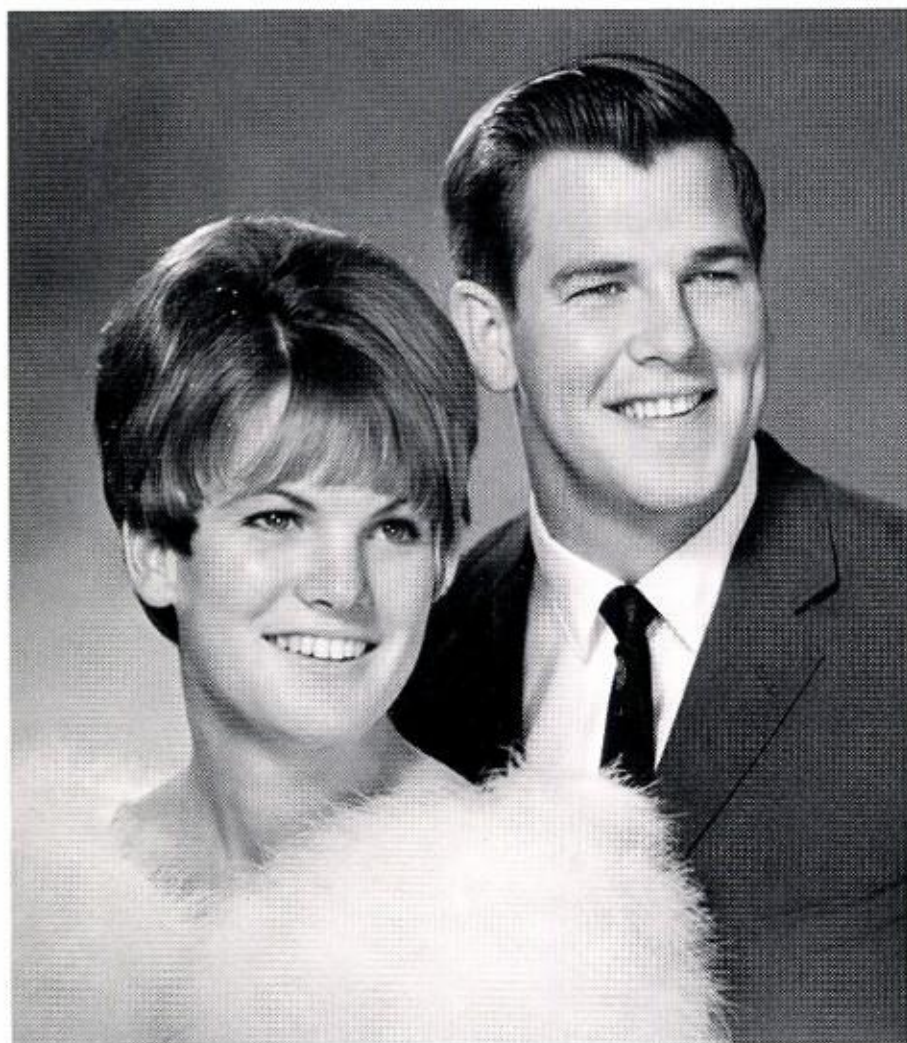

Students at Orange Glen are required to take three years of English. They are taught the basic fundamentals of grammar and sentence structure. It is possible to develop spelling skills and even writing and speaking talents. Each student has the opportunity for a thorough coverage of a short story and poetry unit. Every pupil learns that effective English is a wonderful form of communication.

Every class a student takes will prove rewarding to him in the future. The large variety of subjects and wide spread teaching methods have made this year a better learning situation for the students.

'67 homecoming In

The Pride of Orange Glen.

The Glory of Royalty.

A Solemn Moment.

all Its Splendor

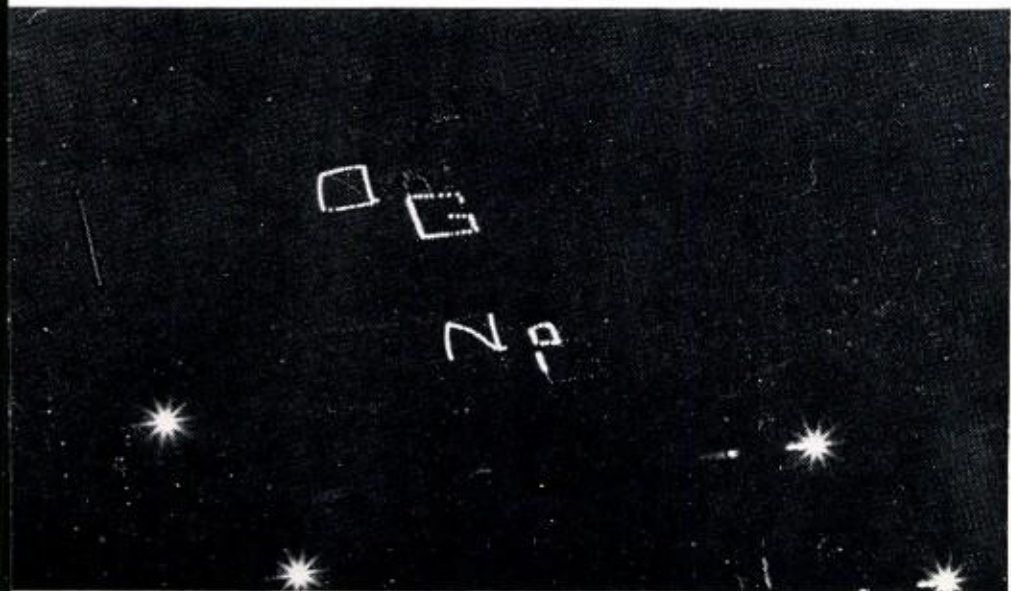

Orange Glen's third annual Homecoming was a glorious and auspicious evening. The game between the Patriots and the Poway Titans brought many tense and joyous moments. Before the game our King and Queen were crowned and their court was presented to a cheering audience.

Suzi McCurdy successfully leads the Patriot Band.

The result of hard work.

Illuminated OG on the hill.

Gayle Bradley displays skill with fiery baton.

Margit Petry and her "A.F.S." family, the Larsons.

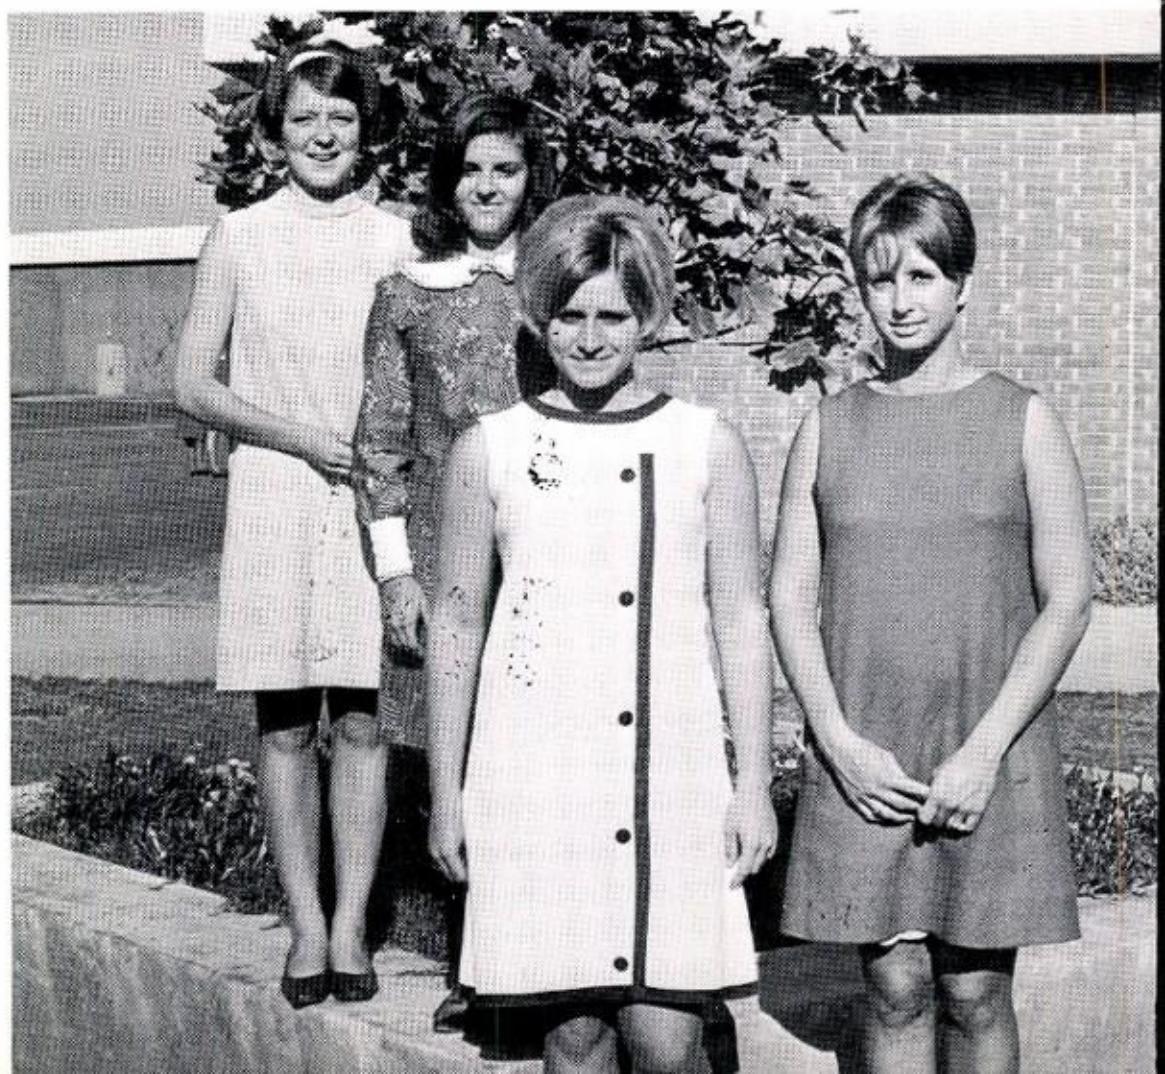

Hans Arvidsson and his "A.F.S." host, Gene Chaffin.

A.F.S.

"Walk together, talk together, o'ye people of the earth: Then and only then shall ye have peace." This is the motto of the American Field Service. Each year O.G. has the privilege of hosting a foreign student during the entire school year. Furthermore, each year Orange Glen sends a student abroad for the summer. There is not better way for students to meet each other than through the fine American Field Service program.

LEFT TO RIGHT: Treas., Kris Creech; Sec., Marti Middleton; V. Pres., Jeanne Coleman; Pres., Lynn Jones.

*Mr. Raymond
A.F.S. Advisor*

A party given for Pat when she first arrived. All of the people are friends and family. The picture was taken in the living room of Pat's Uruguayan home. The staircase was draped on one side by the American Flag and on the other side by the Republica Oriental del Uruguay.

*Sue,
It's been a true
pleasure knowing
you. I hope you'll
be successful in
your college career, Best of luck.
Love!
Pat*

Pat's Uruguayan family. LEFT TO RIGHT: Gerado, Padre Luis Antich (friend of family), Cecelia, Grand-mother: Angelia, Mother: Turgeuza, Pat Perkovich, Father: Felix, Mauricio, Alejandro, Sylvia.

A group of A.F.S. students in a meeting with the late President of the Republica Oriental del Uruguay, General Oscar Gestido. Eight of the students are summer program students and two are school students. LEFT TO RIGHT: Gerhard Prehn, Rich Hobbs, Bob Gottlieb, Tom McClellan (school program), Harry Brown Jr., Lisa Uyehara, Marett Lode, President Oscar Gestido, Pat Mooney, Pat Perkovich (school program), Rhonda Wilmoth. Uruguayans: Mrs. Cristina Gariade Gonzales, Lillian Canepa, Elbio Roselli Pres., A.F.S. Uruguay.

Margit Petry

O.G. enjoyed hosting Margit Petry, 18 year old exchange student from Rio Grande, Do Sul Brazil. Margit took such courses as World History, speech, English, U.S. History, Civics, Chorus and physical education. Margit's family consists of her mother, a father who is a metallurgist and one brother who is studying law.

Hans Arvidsen

Hans Arvidsen, from Gotenburg, Sweden choose to take English 111, Algebra 111, physical education, typing, speech, and U.S. History. Hans has a brother and two sisters. His parents reside in Umea, which is on the gulf of Borhnia, the body of water between Sweden and Finland.

Pat Perkovich

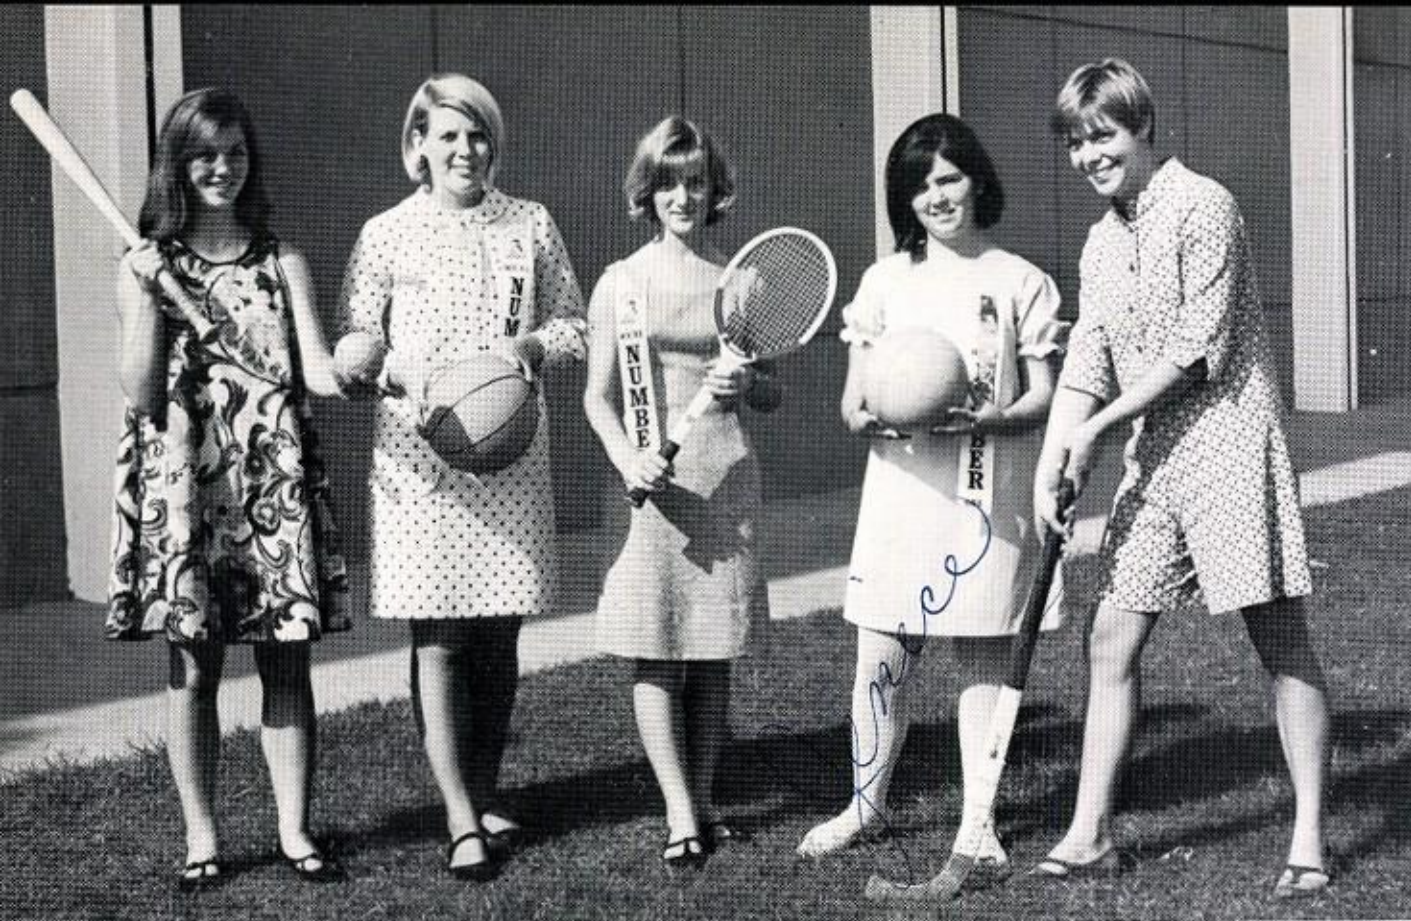

One of Orange Glen's seniors Pat Perkovich spent one pleasant year with the family of Mr. and Mrs. Felix Falcon in Montevideo, Uruguay. Pat took World History, literature, Italian, philosophy, English and Biology. In February Pat joined the senior class for the final semester.

Key Club

*Sue Crider 1968
Yearbook Queen*

G.A.A.

In the Girls' Athletic Association the girls are presented with the opportunity to play entertaining games and share basic activities with other interested students. LEFT TO RIGHT: Sec. and Treas., Dawn Cleveland; Pres., Debbie McNeil; Point Recorder, Sande Schmidt; Public Relations, Jenice Serviolo; Sports Manager, Julie Sarvis.

LETTERMEN'S CLUB

Coach Disney advises the Lettermen's Club of Orange Glen. The club annually sponsors the Harlem Clowns game. These funds are used to purchase athletic equipment for the school. LEFT TO RIGHT: Pres., Jim Moyer; Sec., Ed Bulen; V. Pres., Ron Buschkamp; Sergeant-at-Arms, Darrel Waters. NOT PICTURED: Treas., Jerry Ferrara.

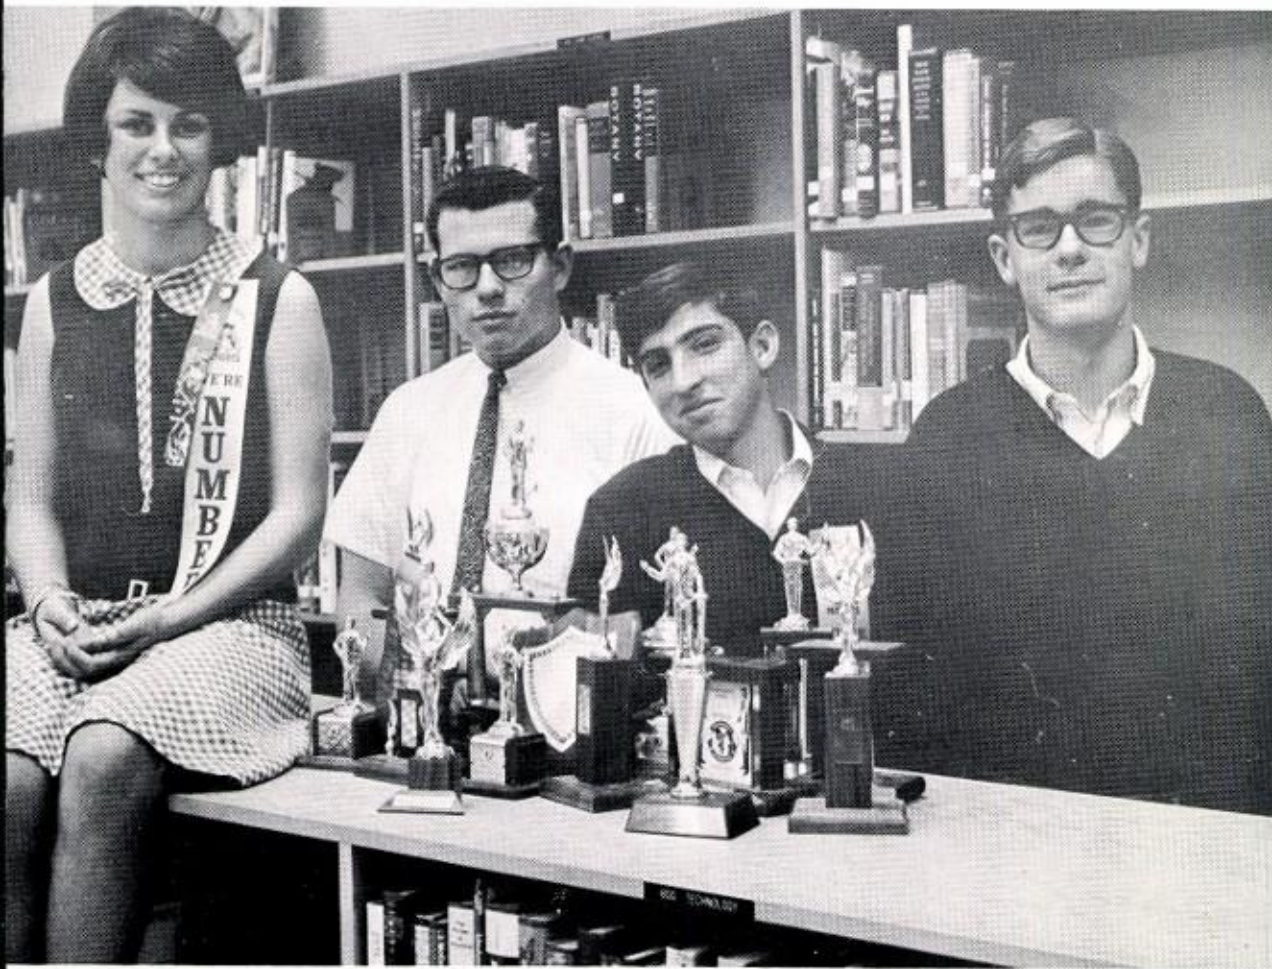

GUITAR CLUB

The Guitar Club again reigns musically in its second year of existence. LEFT TO RIGHT: Scott Frayer, Nancie Ashworth, Chuck Dunn, Sec., Linda Allen. ROW 2: Advisor, Mrs. Nancy Raven; Pres., Mary Chimarusti; Lauren Hood; Kathy Dare, Kassie Disher, Sue Snodgrass. NOT PICTURED: V. Pres., Jill Baker; Treas., Peg Snodgrass; Margit Petry, Chuck Baswell.

F.T.A.

The Future Teachers of America seem to be making a promising start toward a career in the educational field. Their purpose is to produce an interest in the teaching profession. LEFT TO RIGHT: Pres., David Shearer; Treas., Linda Allen; V. Pres., Vickie Fleck; Treas., Carol Nugent; Sec., Judy Payne.

DEBATE CLUB

The Debate Club attended many tournaments in San Diego County. They hosted an Invitational Debate Tournament, at Orange Glen. The club was highly successful, under the supervision of Miss Ruth Christensen. LEFT TO RIGHT: Sec., Letitia Johnson; V. Pres., Steve Adamson; Pres., Drew Zanger; Treas., Pete O'Connell.

INTERACT CLUB

The Interact Club is an international organization, which serves both school and community. The Rotary Club, which is its sponsor, helps the club to promote greater understanding between people. LEFT TO RIGHT: Treas., Russ Gandee; V. Pres., Pat Van Hoose; Pres., Pete O'Connell; Sec., Steve Adamson.

DRAMA CLUB

This year the Drama Club, advised by Mr. Raymond, planned many activities. They had field trips to the Patio Playhouse, Old Globe Theater and they went to see Camelot. A play was produced in the spring along with presentations of dramatic acts. A scholarship was presented to a graduating senior who planned to enter into the field of Dramatic Arts. LEFT TO RIGHT: Sec., Susan Jauregi; Pres., Jeannie Coleman; Treas., Blake Prader; Hist., Robert Quinn; Pub. Chair., Joyce Coleman. Reclining: V. Pres., Jim Manley.

AUTO CLUB

Advised by Mr. Don Sutton, the Auto Club's objective is to supply the Auto Club members with work experience in the auto field beyond classroom and labwork. The highlight of the Auto Club is when they hold a tune-up contest. The proceeds from this provides for a scholarship which is awarded to a promising student in the field of auto mechanics. LEFT TO RIGHT: Pres., Charles Burkhardt; V. Pres. Rod Walker; Sec., Mark Ramsower.

ART CLUB

Mrs. Nancy West, advisor, along with art club members painted Christmas designs on store windows. The Art Club also arranged a student art display in the multipurpose building. Activities this year included field trips to several art galleries and museums. Sketching trips to Laguna, New Port, La Jolla Cove, Julian, and San Diego Harbor were also included in the activities. LEFT TO RIGHT: Sec., Sallie Passey; V. Pres., Phil Herrera; Pres., Katy Ponder.

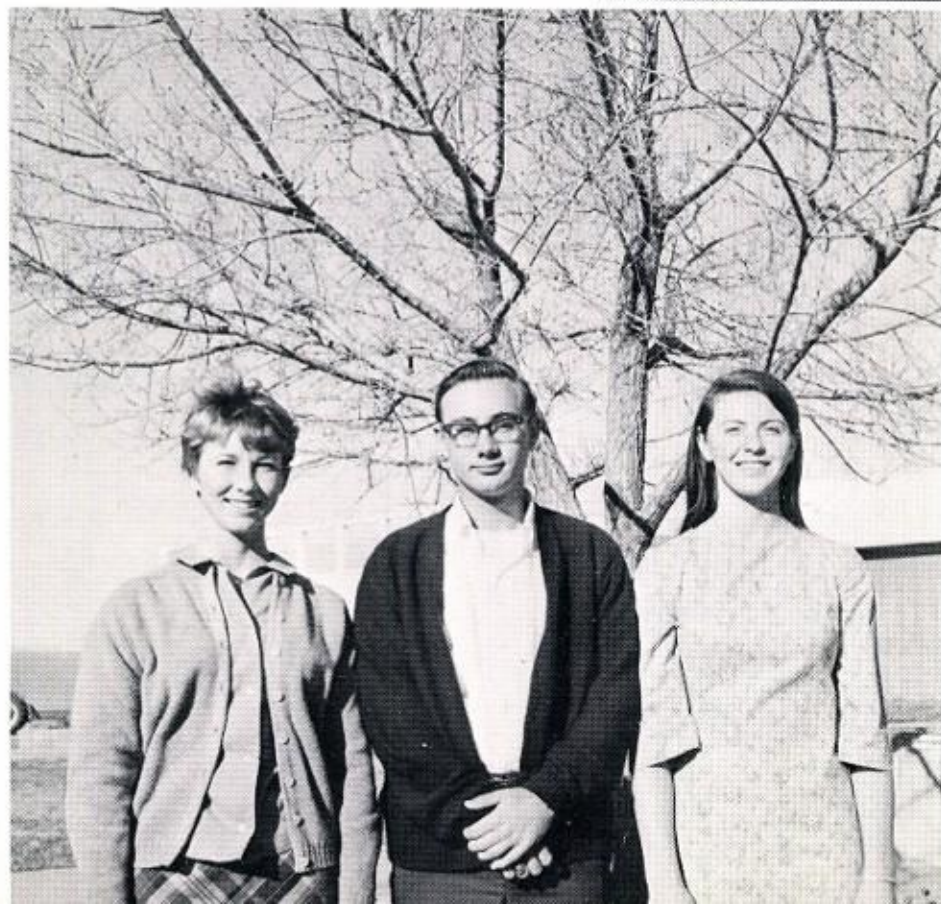

GERMAN CLUB

The German Club's purpose is to instill in its members an appreciation of the German philosophy, spirit, and culture. The German Club had a very successful Christmas dinner and polka party, this year. Mr. Zittel directed the club once again in a successful year. LEFT TO RIGHT: Publicity Chair., Terry Clanton; Pres., Harold Huber; V. Pres. and Treas., LeAnn Wilson; Sec., Alexis Eichman.

RED CROSS CLUB

The Red Cross Club is a newly-formed club on campus. It's a service organization with a set purpose of helping others regardless of race, creed or color. LEFT TO RIGHT: Pres., Janice Calkins; Advisor, Mrs. Margaret Georges; V. Pres., Pennie Phillips.

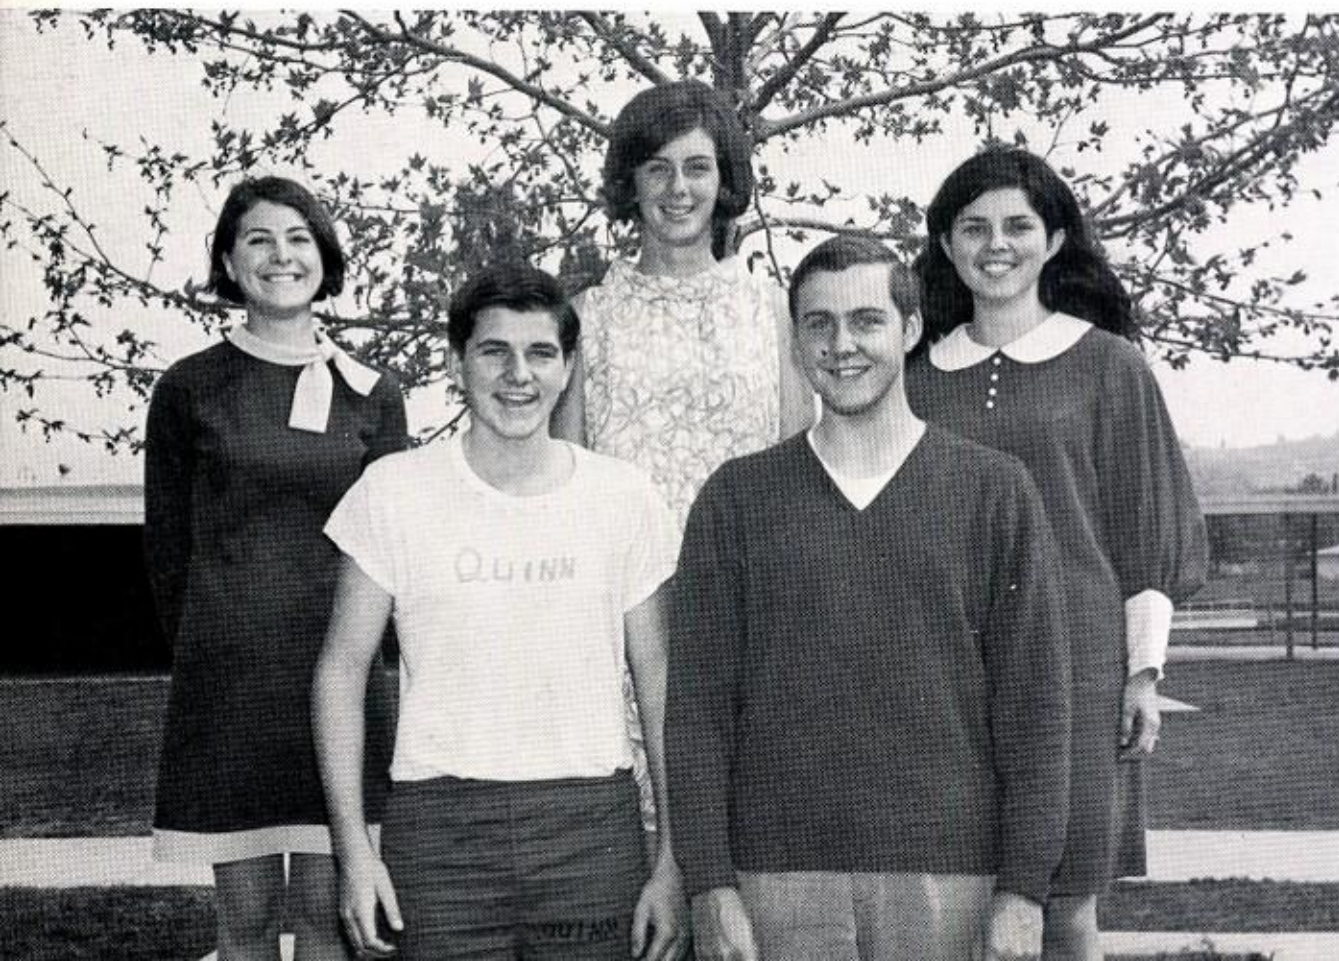

LATIN CLUB

The goal of the Latin Club is "To promote the classics: to try to relive the great Roman Empire." The members always wear full costumes to all meetings. Rome had two consuls so the OG Latin Club has two presidents. LEFT TO RIGHT: Sec., Sharon Shields; V. Pres., Jerry Morris; Treas., Terry Clanton. NOT SHOWN: Pres., Bob Scholton and Chuck Dunn.

Spanish Club

The Spanish Club has had a fabulous year correlating their members appreciation of the Language and customs of the Spanish people. The Spanish Club in cooperation with OG students were able to present Tijuana orphans with many needed materials. LEFT TO RIGHT: Pub. Chair., Gena St. Denis; Treas., Clare Huber; Prog. Chair., Judy Payne; Advisor, Mrs. Levens; V. Pres., Karen Hartle; Soc. Act. Chair., Carol Nugent; Sec., Sue Cadwallader; CENTER: Pres., Richard Carillo.

French Club

The purpose of the French Club is to learn French customs and activities and to have fun in similar activities. In this way the club increases its culture by adding the French culture to it. The French Club has had a Halloween and a Christmas party, also the showing of French travel films. BOTTOM ROW, left to right: Treas., Robert Quinn; Pres., Richard Quinn. TOP ROW: Pub. Chair., Jennifer Roberts; V. Pres., Jayme Strahl; Sec., Colleen Torbert.

LEFT TO RIGHT: Pres., Eileen Christiansen; Treas., Claudia Castang; Sec., Francie Thompson; V. Pres., Joanne Simon.

The marrying ceremony begins.

PEP CLUB

The Pep Club, under the supervision of Mr. Savage, painted colorful posters that helped generate a great abundance of school spirit. Among many other accomplishments, the Pep Club sponsored the highly successful Sadie Hawkins Dance.

A time of rest from the activity of the night.

The rush hour to complete the Musket.

The Musket staff produced an excellent monthly newspaper and also put out well-managed football rosters for all home games. The journalism students also managed public relations and the main outside bulletin board.

The managing editors.

The Musket Staff hard at work.

A romance between Gloria Gorman (Kitty Drake) and Mark Mark Hoogervorst (Carleton Upde Graff).

SENIOR PLAY

"That's My Cousin," the 1967-68 Senior Play by Kurtz Gordon takes place in a spacious lounge of a Dude Ranch in Colorado.

Kitty Drake (Gloria Gorman) inherits a run down ranch from her uncle. Kitty's desperate need for money to pay off the loan used to remodel the ranch and her natural scheming ability easily permits her to falsely advertise the fact that uranium may be on the ranch.

The fun and frivolity begins when Clem Wagner (Paul Moyneur) announces the various guests who join the hectic search for uranium. Kitty welcomes three Brooklyn girls (Kay Hilgert, Kay Johnson, Pat Rogan) one very conceited actress (Candy Ballard) and crew (Richard Carillo, Micky Ferrick, Jim Moyer) a banker (Drew Zanger) and his son (Mark Hoogervorst) a lovely cousin and her companion (Lee Ann Wilson, Steph Sarff) two Indians (Ray Bannister, Barbara

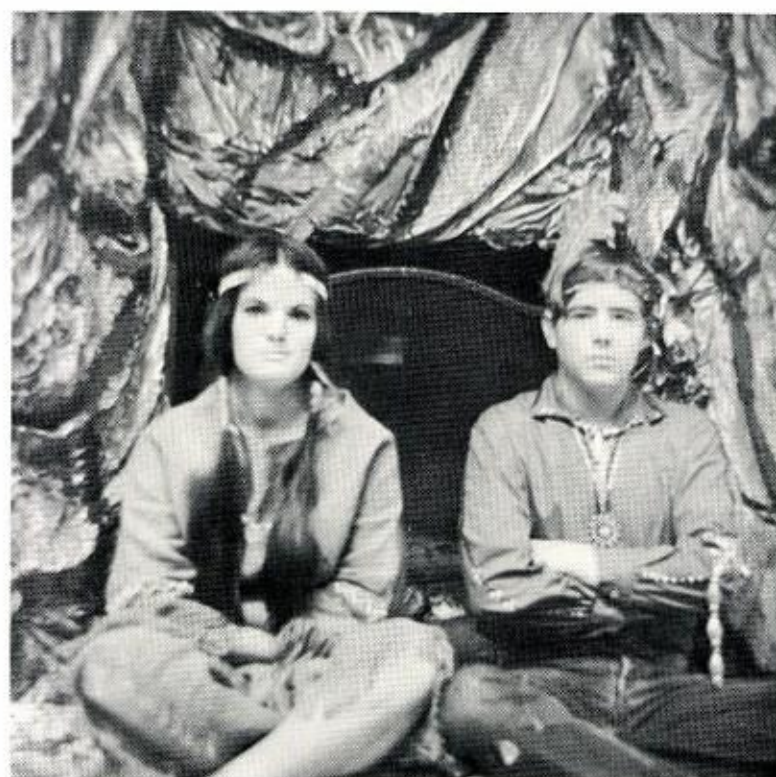

The stage crew relaxes between acts of the senior play. BOTTOM ROW, Left to Right: Anne Johnston, Jerry Fenton, Dave Bancroft, Carol Formento, Allan Johnson. TOP ROW: Debbie Kirby, Steve Adamson, Debbie McNeil, Bob Schaible, Dan Copper, David Barber.

Weir) and one very lively member of the Husband Hunters of Huntington (Priss Buchanan).

Uranium "ackchually" is found, the ranch is no longer in financial trouble and the cook (Julie Sarvis) and the sheriff (Ron Buschkamp) plan a wedding. It all seems a perfect conclusion to a well received play.

Steph Sarff lovingly welcomes Paul Moyneur, a marriage prospect.

Barbara Wier and Ray Banister stationed themselves at the fireplace of the Dude Ranch.

C.S.F.

Circulating report cards of absentees was one of the worthwhile projects of the California Scholarship Federation. As well as two honor day field trips, they also visited Cal Western for the regional meeting of C.S.F. The club is composed of students who greatly excel in their academic subjects.

LEFT TO RIGHT: Mr. Brown, Hist., Candi Ballard; Treas., Katy Ponder; Pres., Harold Huber; V. Pres., Terry Bower; Sec., Linda Allen.

KEY CLUB OFFICERS

Jim Moyer, Sec.; Bob Munnich, V. Pres.; Jerry Fenton, Pres.; Paul Moyneur, Treas.; Dick Huff, Sergeant at Arms.

Advisor: Mr. John Bree

On the move

The 1967-68 Key Club undertook and accomplished many fine and worthwhile projects which service the school and community. Starting off the year the Key Clubbers took charge of the home football games by selling and taking tickets, and driving the O.G. little red wagon. The Key Club also sponsored a car smash the day of the Poway game to instill more school spirit throughout the Patriot campus. In the early part of January, the Key Club had a slave sale, followed up the next day with slave day, in which all Key Clubbers actively participated. A few weeks later one of the best dances of the year was put on by the Key Club with an exciting light show. The Key Club also sponsored a car wash, the fixing and cleaning up of the "little red Wagon", and was sergeant-at-arms in the 1968 A.S.B. Convention. With outstanding leaders and loyal members, the Key Club represented the school with dignity and honor. Thanks to the fine directing from advisor Mr. John Bree, the Key Club can be proud of themselves.

UNDERCLASS MEMBERS

TOP ROW, Left to Right: Tom Thompson, Mike Edgington, Scott Young, John Heram. BOTTOM ROW: Chris Moyneur, Warren Snapp, Jerry Matlock, Mike Garret, Lon Collings, Mike McQuead, Tom Nicols.

SECOND ROW: Mrs. Nancy Raven, Karen Guerrieri, Cindy Jones, JoAnn Simon, Gail Gousha, Judy Payne, Louise Griffin, Sandy Erickson, Gena St. Denis, Vickie Fleck. TOP ROW: Steph Sarff, Katy Ponder, Linda Carey, Cathy Edwards, Terry Bower, Lynn Jones, Sherry Hinrichs, Sue Honeck. NOT SHOWN: Pat Perkovich.

LEFT TO RIGHT: Hist., Gail Gousha; Sec., Katy Ponder; Pres., Terry Bower; Treas., Kathy Edwards, V. Pres., Debbie Port.

DELTONS

"Honor, Loyalty, and Leadership" is the motto followed by the Deltons. Each year the Deltons present a one hundred dollar scholarship to a deserving senior girl. They also help with the sale of basketball tickets and as guides at 'Back to School' night for the parents. This year they sponsored a very successful dance. The purpose of the club is to render service to the school, to aid the students whenever possible, and honor the dedicated and successful leaders of O.G.H.S.

SIGN-CARRIERS

Downing, R. Heredia, R. Arrington, H. Paredes.

To Win Is Tradition

Excellent coaching divided into young eager and determined football players equals over-all, a young and determined football team. Such was our Junior Varsity Football team for 1967.

Directed by head coach Tom Bice along with his fine assistant Allan Klinger, the Patriot yearlings posted an impressive 8 and 1 season. Under the leadership of Q.B. Chris Moyneur, the powerhouse running of F.B. Ron Heredia, and the speed of H.B. Ron Bourguignon, the Pats were always on the attack. When the opposing teams gained possession of the ball, they didn't have a chance when they met up with linebackers Tony Lopez and Mark Karges.

Equal recognition should be paid to the whole team for their eagerness and determination on and off the field to make this year's J.V. one of the best in Orange Glen History.

We wish to take this opportunity too, to thank Mr. Walter Blake Jr. for all the photos he contributed to the Football Section.

Scott Clay (81) on the receiving end of a Chris Moyneur pass.

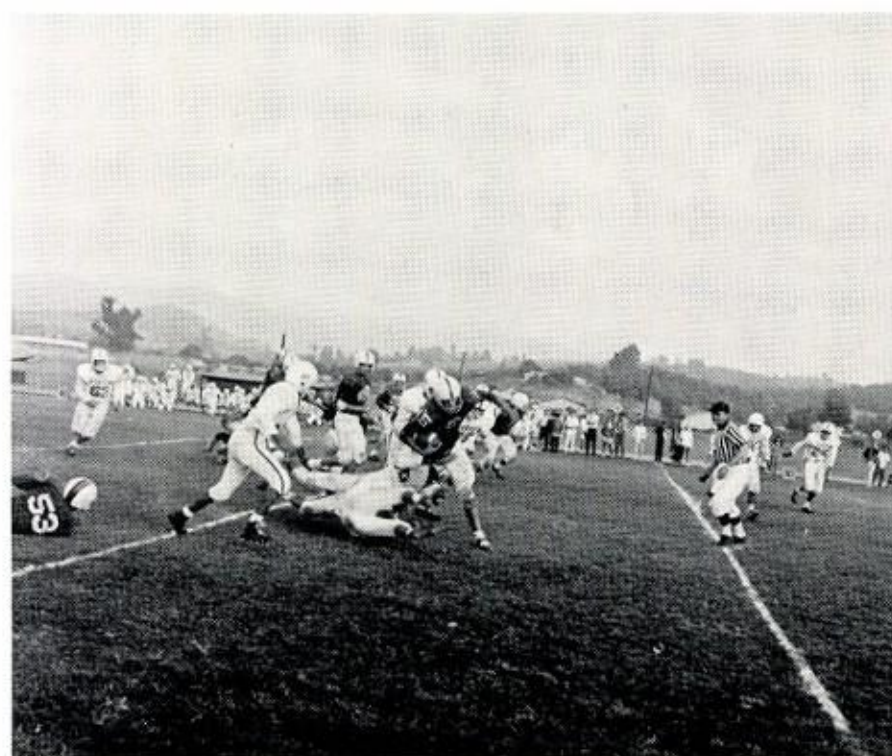

Freshmen Show Spirit

This year's freshman football team learned the true meaning of football while molding a fine 5-3 won lost record. Under the coaching of Bill Valentine and Lee Burkett, the young patriots succeeded in understanding the principles of the game of football.

The offense was sparked by such standouts as Quarterback Rick Moyer, Halfback Paul Heredia, and the receiving of Flankerback Jim Serviolo. The defense was led consistantly by linebacker and team captain Ken Huggins. Also a key in patriot defense were Tackle Elmer Townsend, linebacker Dennis Huff, and guard John Lawson.

It was a credit to this year's freshman team that they could come off a depressing start and then finish in a winning way.

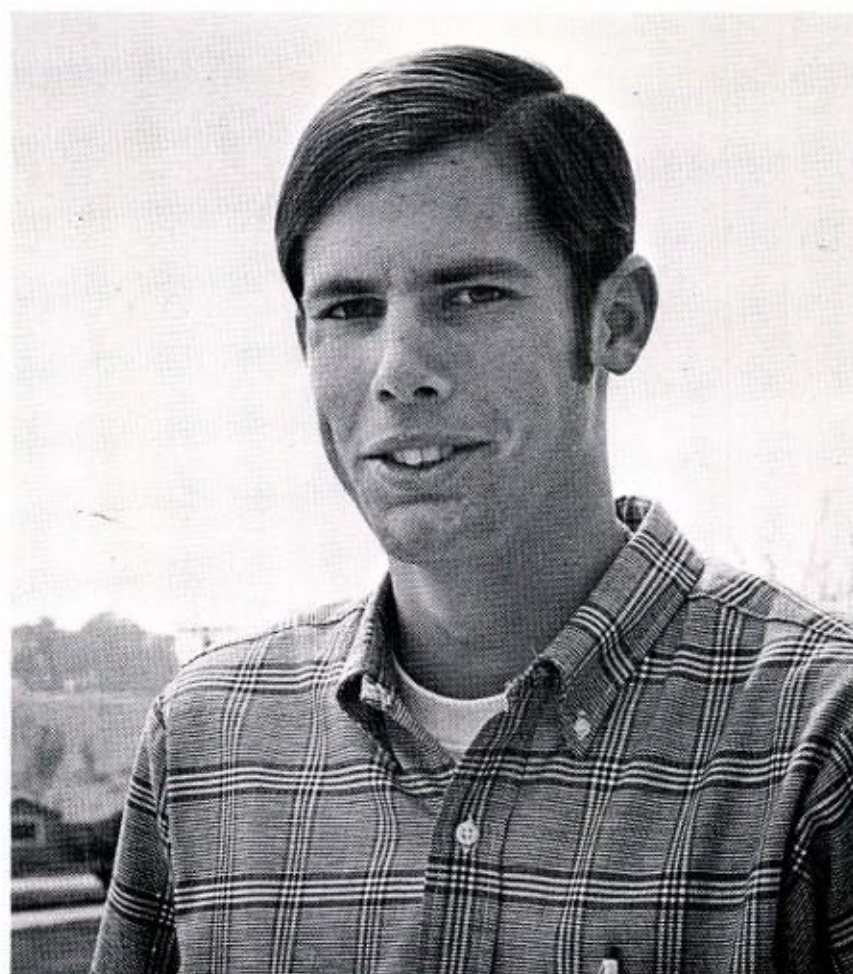

Paul Heredia (15) Breaks tackle against Earl Warren for good yardage.

CROSS

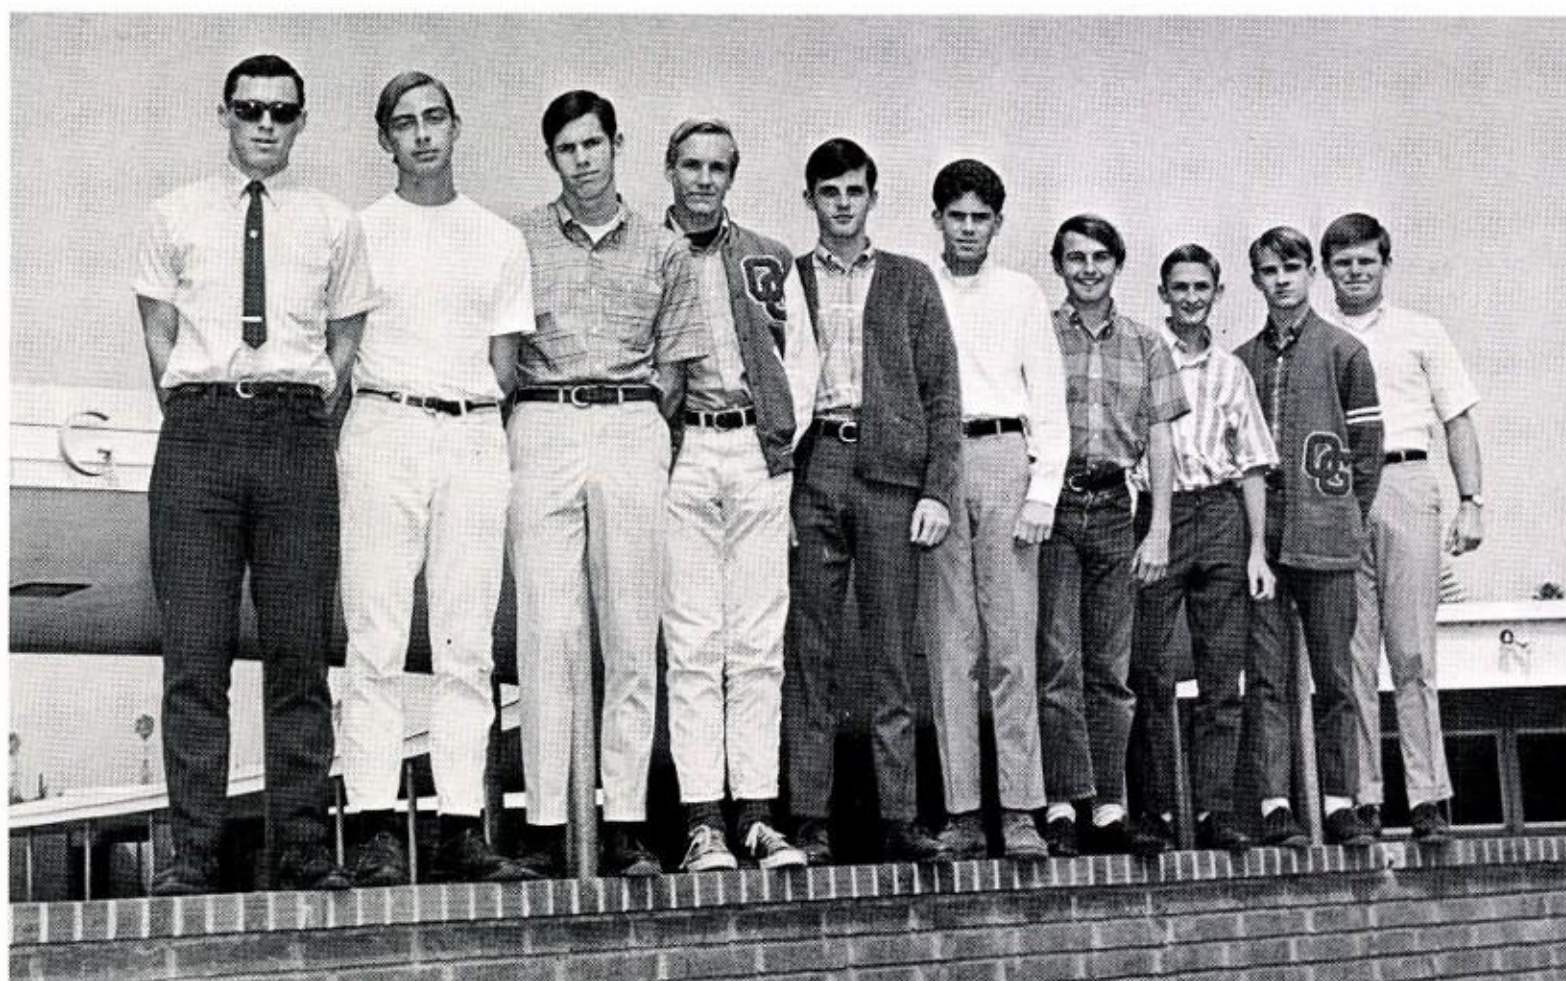

Ian Cumming, Team Captain

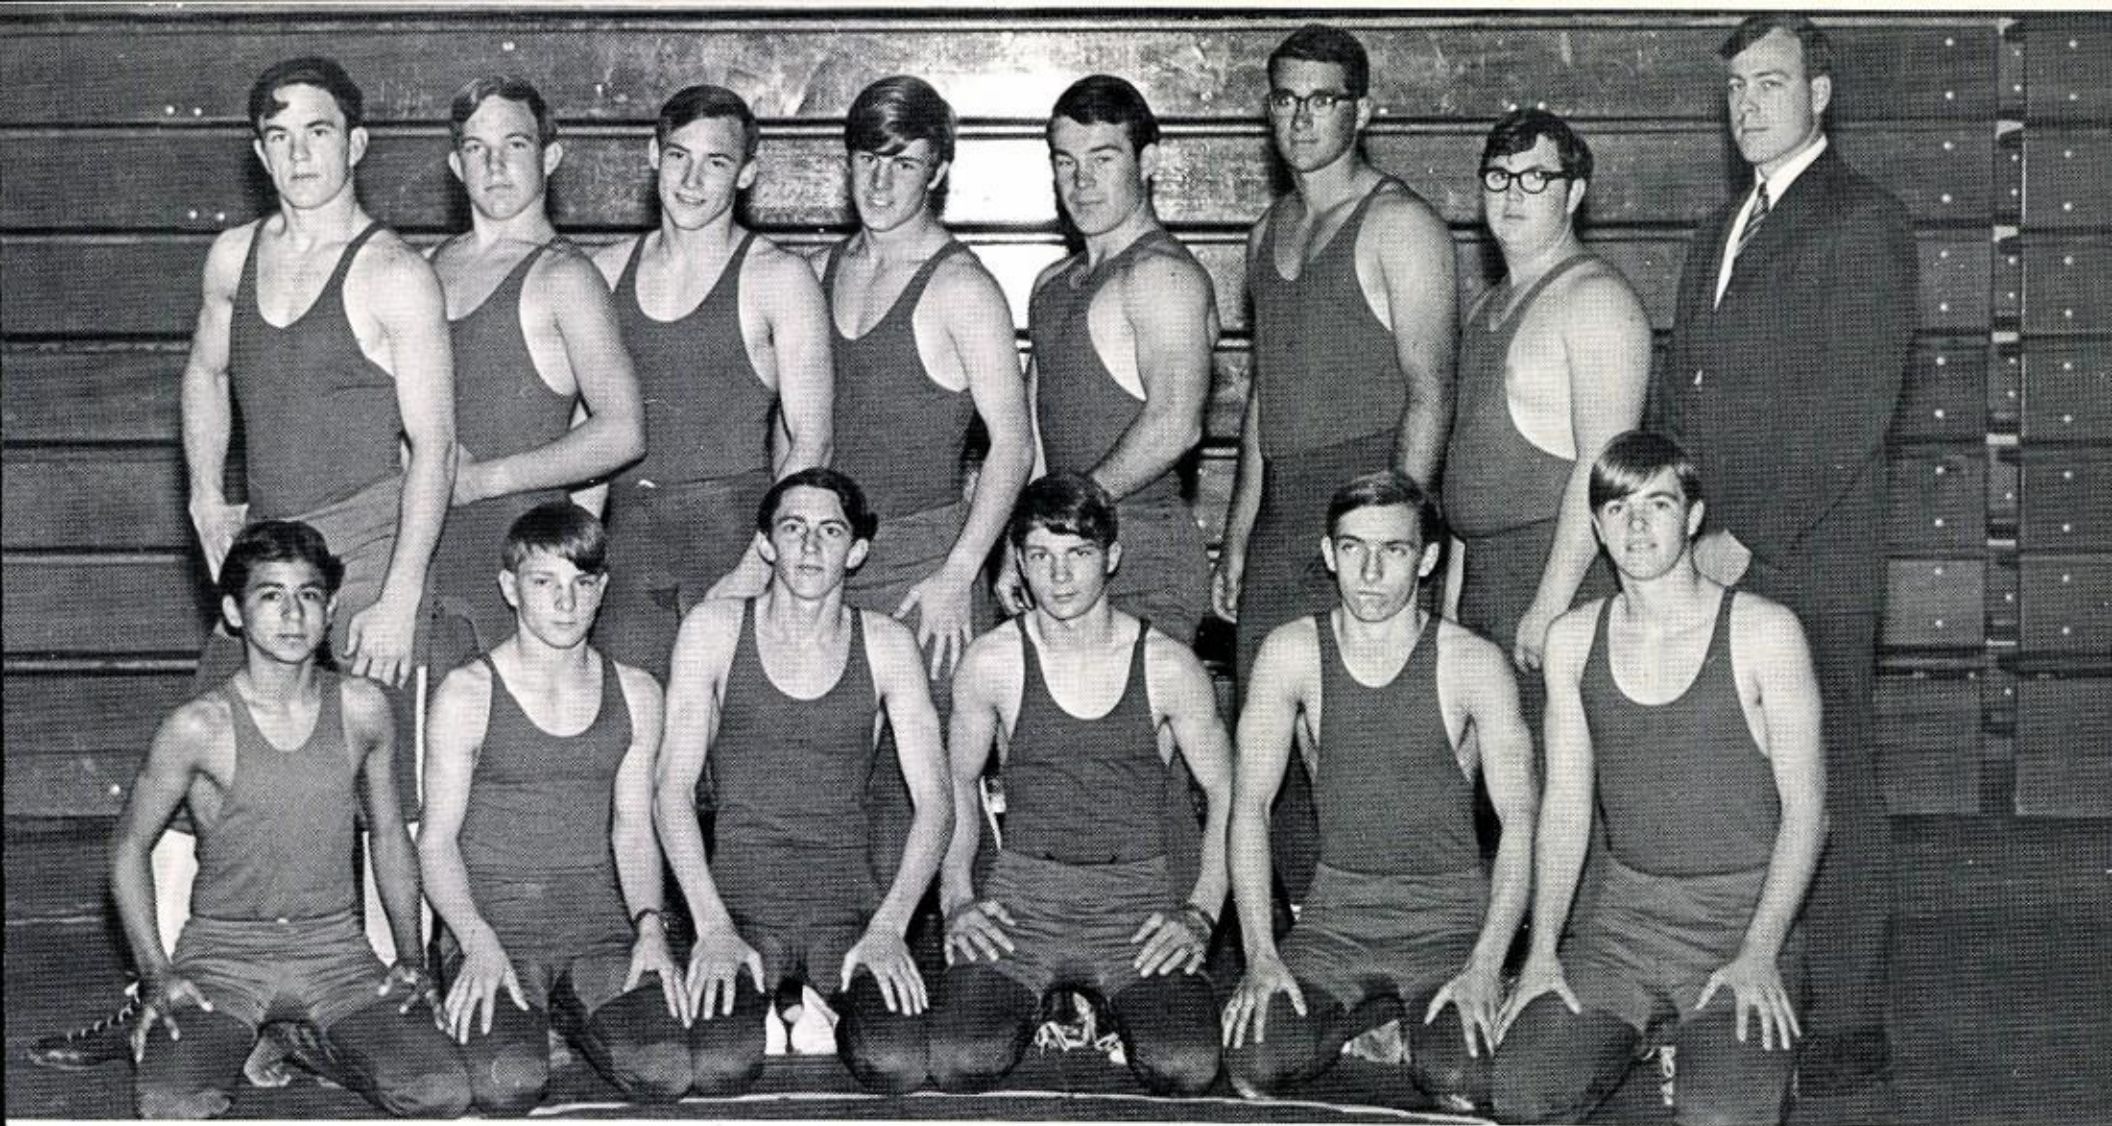

Bob Barten, Most Valuable

Country

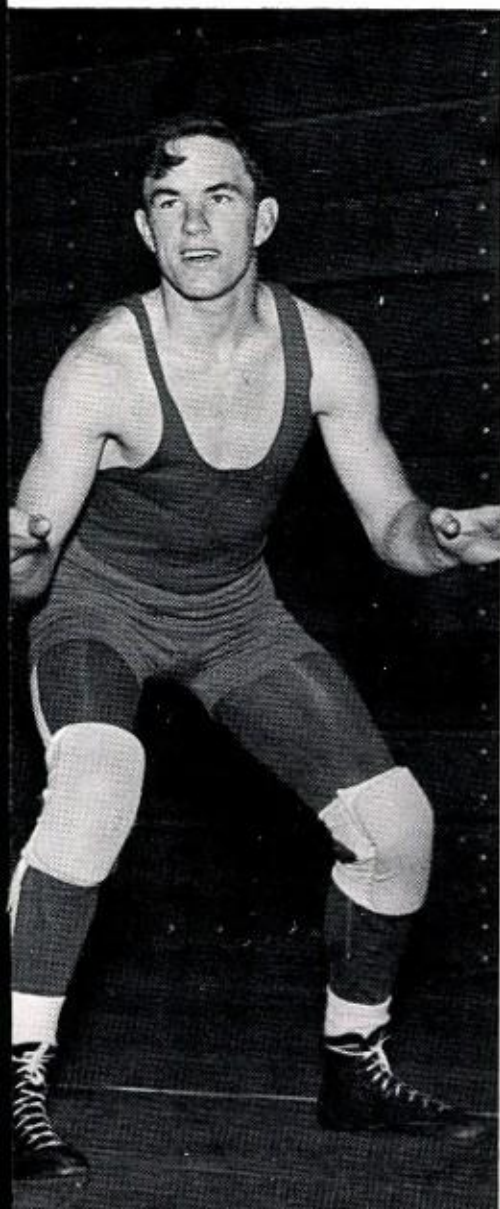

LEFT TO RIGHT: Coach Dale Denton, Rafael Tamarillo, Bob Barten, Ian Cumming, Steve Young, Gary Collins, Frank Deets, Bill Jones, P. Van Hoose.

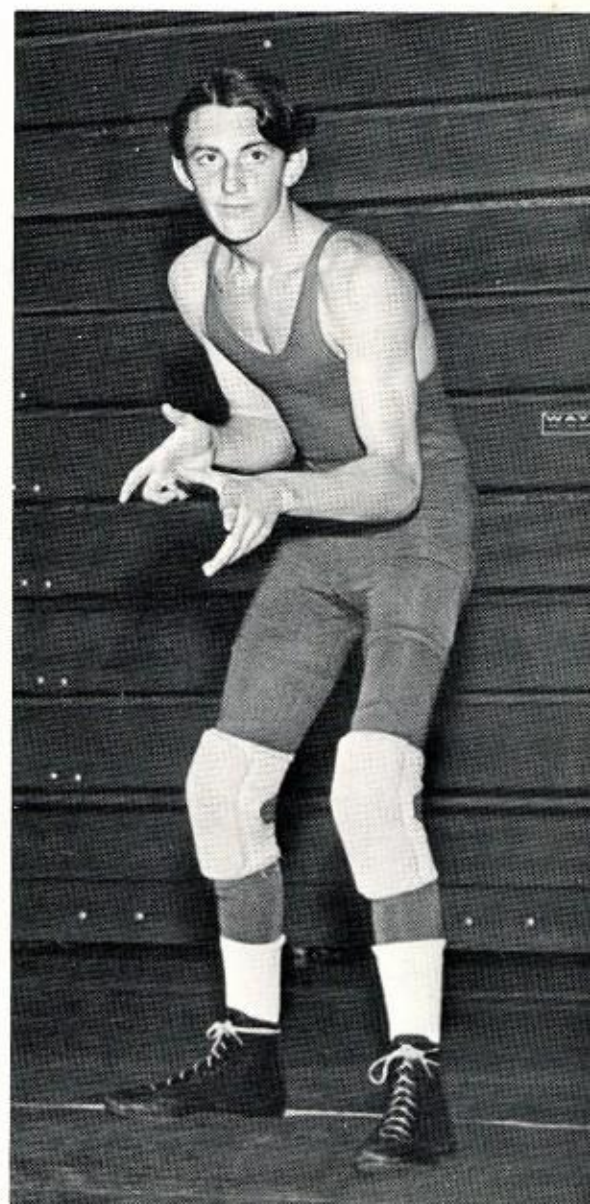

VARSITY WRESTLERS—FRONT ROW: Frank Orasco, Dave Nesbitt, Ed Bulen, Bob Nesbitt, Alan Kurtz, Brian Whadford. ROW 2: Mick Ferrick, Ken Hugins, Rick Whyte, Clay Clifford, Ron Buschkamp, Dick Huff, Mark Parker, Coach Rutledge.

The Grapplers

*Mick Ferrick
Co-Captain and Most-Valuable*

*Ed Bulen
Co-Captain*

This year under the guidance of rookie coach Bill Rutledge, the wrestling team fashioned a 6-4 over-all record, and a fine 5-2 slate in league to finish second only to powerful Vista.

At the beginning of the year, the team was plagued with inexperience and lost two of its three pre-season matches. But as soon as league started, we picked up two fine wrestlers from up North, Bob and Dave Nesbitt. Also, Dick Huff and Ron Buschkamp helped the team considerably to the finest season O.G. wrestlers have had.

Team captains Ed Bulen and Mick Ferrick, and little Frankie Orasco also contributed to the team through their leadership and consistency of winning on the mat. O.G.'s Mick Ferrick just missed getting a third in C.I.F. by losing by a penalty point.

Thanks for the great effort,

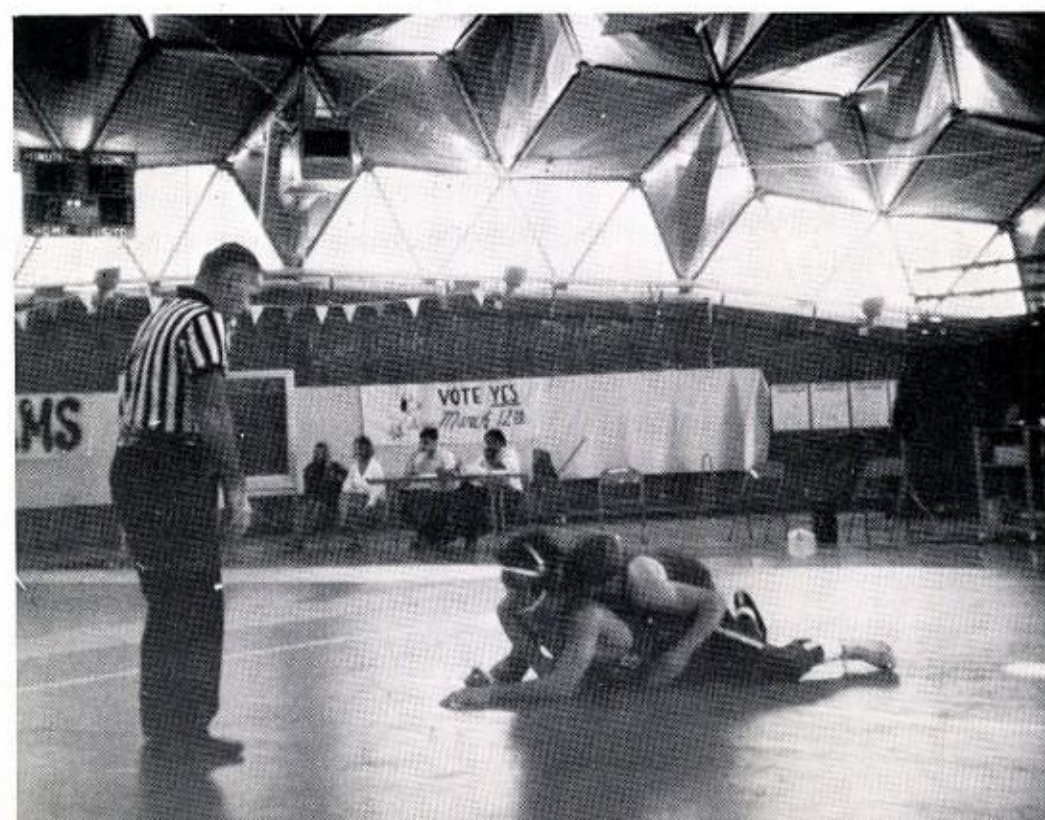

Yearbook Staff

For being so few, the J.V. grapplers posted a real fine season. Their consistency in practice helped the Varsity's effort.

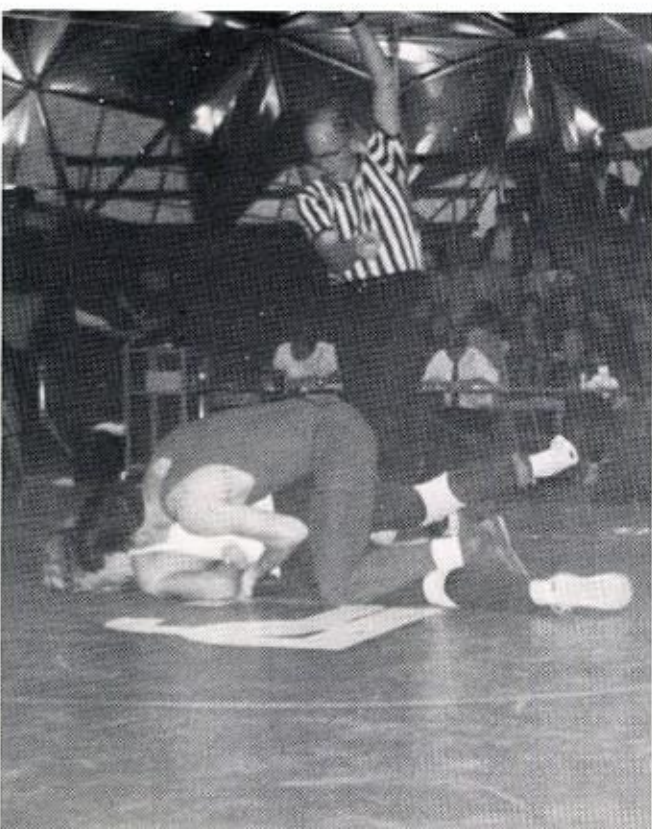

LEFT TO RIGHT: Tim Ferrick, Don Herold, Randy Veech, Bill Bulen, Tom Bill, Dave Glenwinkel, Jay Driscoll.

Golf

Yes, enthusiasm and good coaching tells the story of Orange Glen's Golfers. These enthusiastic Patriots face a successful year. Orange Glen will be proud when these fine young men take to the green. By having only one senior and the rest underclassmen, the team is going through a rebuilding season and promises great seasons ahead.

John Heramb practices swing.

Pete Moren shows winning style.

Girls' Sports Center On G.A.A.

This year the Girls' Sports program of extramural activity at Orange Glen was taken over by G.A.A. This was a step in the direction of a better program for all girls. It gave each girl the opportunity to participate in the sport of her choice. The result was wonderful, in that many more girls than had ever before participated came out for intramural and extramural sports and workouts.

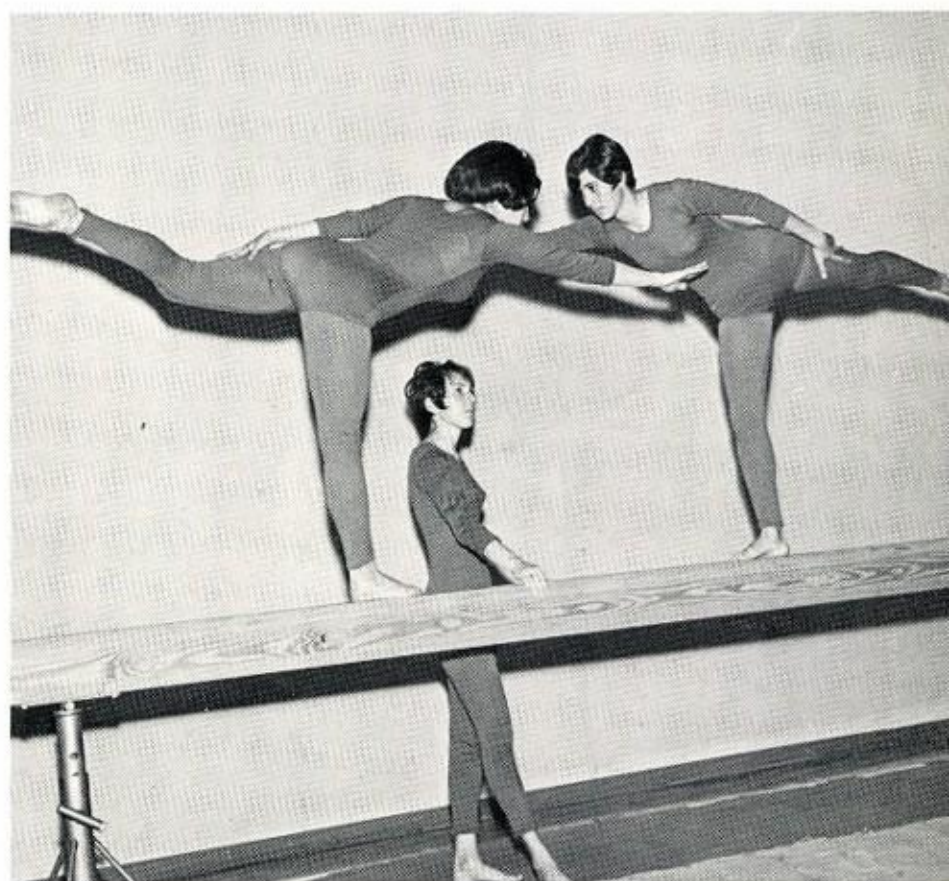

The two starting sports were very big with the girls. There was gymnastics, which included tumbling, free exercise, the balance beam, the uneven parallel bars, the springboard and the horse. The girls who participated showed an avid interest in each activity. At the same time, the tennis team was busy practicing and traveling in order to meet with other schools. Although the team was not mighty this year, in the future we ought to find O.G. in first place.

One of the most popular teams was the volleyball team. Many girls found themselves traveling all over North County promoting spirit and winning for O.G. They made a fine showing. Another sport supported with avid enthusiasm was hockey. Our Hockey Team pushed on to a great season, the highlight of which was a hard fought game ending in a tie with Escondido High. The team made a definite impression on the North County hockey standings.

Another sport of high caliber is basketball which was supported this year with an enthusiastic group of girls. They too made an outstanding contribution to the Orange Glen sports effort.

Other sports that were offered this year after this section had been sent to publication were track, softball and swimming. Each of these sports always generates a great deal of excitement and this year undoubtedly will be no exception.

Due to the efforts of all involved, the girls at Orange Glen High School have something to be proud of in their program of sports and in the girls who continue to support it by participating so avidly. To those girls we owe a great debt of thanks.

ALMA MATER

Here, where spangled wildernesses
Beckoned heroes to the west, stands
Orange Glen our Alma Mater
Goal of settlers' crimson quest.
Land of legend, land of glory;
Gypsy breeze unfurl thy story
Guide our steps, dear Alma Mater
Stand enthroned forever more,
Oh, Orange Glen our Alma Mater,
Stand enthroned forever more.

Seniors' Farewell

Epilogue

"The Year of the Patriots" is the caption I give to Orange Glen. A year which success and dignity has been bestowed upon the Patriot Campus. The challenges have been met, and the accomplishments stand proud.

This year has been a year which has been waited upon by many, to find answers to the questions which have hung over this new school. For the first time, Orange Glen met Escondido High School in competition. For Orange Glen, there was a point to be proven, and when the Patriots left the field, heads were raised high, respect was in the air, and Orange Glen was recognized as being a great high school, in the town of Escondido.

Academically Orange Glen has excelled and has brought pride to the campus. Orange Glen being one of the first high schools to have Audio-Television as a part of teaching, benefited students greatly. This new program lifting new standards in education, and higher goals for students learning.

The last years have been filled with meaning and purpose, and the following years shall strengthen the goals, and fulfill past traditions. The spirit instilled in this "Land of the Patriots" shall always be a bright burning torch.

We, the 1968 Torch Staff wish to recognize and thank Mr. Patrick Ross, Mr. David Larson, Mr. John Sowers, and you, The Orange Glen High School Patriots.

Thank you,

Marshall Kelsay

Marshall Kelsay
Editor in Chief
